Skills Matrix

Trampoline Gymnastics Level 2

The Skills Matrix boxes below contain the skills which are to be demonstrated by at least one participant during the practical assessment. Learners should plan for the full Skills Matrix box and assessors will choose two skills to be delivered on the day of the assessment. The manual support of at least one somersault must be demonstrated.

The assessment process is a total of 90 minutes and will follow this format:

- 5 minutes: Warm-up including a pulse raiser and mobilisation.
- 5 minutes: Physical preparation from Category A.
- 15 minutes: Skill 1 delivery from Category B-D.
- 15 minutes: Skill 2 delivery from Category B-D.
- 5 minutes: Cool-down including stretching and session conclusion.

- 45 minutes: Self-reflection, questioning, logbook and practical result, feedback and action plan.
