Skills Matrix

TeamGym High Performance Coach Practical

Candidates chose one skill to show from each of the three pieces of apparatus.

Candidates must prepare session plans that show the required conditioning and progressions for the skills they select.

They must also provide their own gymnasts for the assessment.

The practical assessment will take approximately 90 minutes (15 minutes to set up & warm up; 20 minutes for each piece of apparatus and 15 minutes for debrief).

Candidates should arrive 20 minutes before the advertised start time to ensure the assessment runs to schedule.
