## **Skills Matrix**

## **Acrobatic Gymnastics Level 2**

The Skills Matrix boxes below contain the skills which are to be demonstrated by at least one participant during the practical assessment. Learners should plan for the full Skills Matrix box and assessors will choose the three skills and physical preparation activities to be delivered on the day of the assessment. The group composition does not have to adhere to competition gender requirements, e.g. a trio or four can be a mixture of male and female participants.

The assessment process is a total of 90 minutes and will follow this format:

- 5 minutes: Warm-up including pulse raiser and mobilisation.
- 5 minutes: Physical preparation activities for your selected individual skill and either your selected pair or group work.
- 10 minutes: Skill from the individual section.
- 10 minutes: Skill from the pair section.
- 10 minutes: Skill from the group section.
- 5 minutes: Cool-down including stretching and session conclusion.
- 45 minutes: Self-reflection, questioning, logbook and practical result, feedback and action plan.
