Involves a written examination covering the theory of the Part 1 and Part 2 modules

Refresher courses

It is recommended that teachers who have completed the Teachers' Trampoline Award, or recognised BG coaching awards, attend a Refresher course every 3 years. Many education authorities are beginning to insist on this to ensure the teaching of trampolining in schools is up to date and safe.

How to apply

Teachers' courses are listed on the BG website via the **Find a Course** search facility.

Select **Teachers** as the type of course and click 'Find' to see a full list of Teachers' courses available. If you are interested in attending a particular course, you can contact the course organiser, whose details will be listed on the course details page.
