- Regions must nominate in advance a minimum of one and maximum of two FIG level competitions to allow gymnasts the opportunity to qualify for the National Challenge Cup. These dates must be sent to Chris Paddock, National Competition Organiser (NCO).
- Gymnasts must achieve an All Around score on the FIG rules from one of these competitions to qualify for the National Challenge Cup.
- It is not possible to allow a repeat of a single apparatus within one competition.
- Signed score sheets from these nominated competitions must be sent to the NCO immediately after the nominated event.
