Head of Boy's Participation Gymnastics

Huntingdon Gymnastics Club is looking to recruit a Head of Boy's Participation Gymnastics to continue the clubs success. This is an essential role within the club and the successful candidate will be responsible for the management of our clubs general gymnastics programme in partnership with the Head of Girl's Participation. Our club takes great pride in providing high quality gymnastics coaching across all ages and levels.

The Role

Responsible to the Club Manager, the successful candidate will manage the clubs Participation Programme. They will have excellent mentoring and management skills and will be able to lead a team of coaches. The department has an existing coaching team of 12 coaches. The department is responsible for the running of Recreational classes, improvement classes, freestyle & adult classes. The typical working week will be Tuesday to Saturday, or Sunday to Thursday.

Benefits

- Annual salary of £27,500 40 hours per week over 5 days
- 33 days of annual leave (including bank holidays).
- Funded British Gymnastics coaching courses with mentoring support from our coaching team.
- An opportunity to inspire and nurture the next generation of Gymnasts.

Requirements

- Candidates should have at least a level 2 British Gymnastics Coaching Qualification in either Men's/Women's/General Gymnastics, further coaching qualifications would be beneficial.
- Candidate will have experience of planning, implementing and managing gymnastics programmes.
- The successful candidate will have experience of building and leading a cohesive coaching team where every coach's efforts are recognised and they are supported to further improve their knowledge.
