Dear All

Welcome and thank you for reading the 2019 English Championship Series Competition Handbook. I am pleased to introduce to you, the 'English Championships Series'. The competition that underpins the National Trampoline structure provided by British Gymnastics and is based on FIG rules. The competition is based on a two-level tier competition structure named Silver and Gold.

The qualification process for the Silver and Gold will be made through the two qualifying Events held between April and May 2019.

Qualification at Gold level of competition, will see 16 qualification places available through the English Qualification Series. The 16 highest scoring Trampoline gymnasts and 12 Double Mini Trampoline Gymnasts from each age group and where applicable in each gender, will gain qualification to take part in the English Championships. This will be explained to a greater detail throughout this Handbook. Tumbling will only qualify for the English Championships Gold level through the British Championship Spring Series and thus cannot qualify for Gold level at the English Championship Series.

You **cannot** qualify for British Championships through the English Championship Qualifying Series.

Qualification at Silver level of competition will see 16 qualification places available in each age group and each gender. To qualify for the English Championships at Silver you will be required to be ranked within the top 16 gymnasts for Trampoline and 12 for Double Mini Trampoline with the highest scores exclusively acquiring at the English Qualification Series. This will be explained to greater detail throughout this Handbook. There will be a Silver Tumbling Championships - more will be explained within this document.

In all competitions, we will aim to include the following disciplines: Individual Trampoline, Double Mini Trampoline, Synchronised Trampoline, Disability Trampoline and Tumbling.

I would like to thank you for taking the time to read this Handbook and look forward to seeing you at the competitions in 2019.

Yours in Sport

Stephen Wood

Event Discipline Details

The English Championship Series will include the following disciplines:

TRI	Trampoline Individual
TRS	Trampoline Synchronised
DMT	Double Mini Trampoline
DIS	Disability Trampoline
TUM	Tumbling (Championships only)

Individual Events (TRI, DMT and DIS)

All TRI, DMT and DIS English Qualification Series will consist of the qualification rounds only. There will be no finals at the qualification events. Ranking will be based on the highest scores after the

qualification round. Gymnasts must complete both routines/passes in the qualification round to be eligible to qualify for the English Championships. At the English Championships ALL Finals will be zero finals i.e. all scores will be reset to Zero for the Final.

Synchronised Trampoline (TRS)

All TRS English Qualification events will consist of a qualification round only. There will be no Finals at the English Qualifiers or the English Championships. Ranking will be based on highest score over the two competitions. Gymnasts must complete both routines in the qualification round to be eligible to qualify for the English Championships.

Tumbling (TUM)

The Qualification for Tumbling at both the Silver and Gold levels to the English Championships will be achieved by other methods see pages 18-19. There will be no English qualification competition to qualify for either Gold or Silver Tumbling Championships.

Disability Trampoline, DMT and Synchronised (DIS)

DIS (TRI) gymnasts will be required to qualify through the English Qualification Series. Gymnasts will be required to achieve a place in the top 12 ranked gymnasts at the Qualification Series. Scorings for Gold can be taken from the SES as long as the gymnast applies to the criteria in Section 1.5.

DIS (DMT) gymnasts can only qualify through English Qualification Series at both Silver and Gold levels. The top 8 ranked gymnasts at the Qualification Series will be invited to the English Championships. DIS (TRS) This will be a Mixed Gender and Mixed Classification Synchronised competition, top 10 ranked pairings will be invited to the English Championships.

Scoring and Qualification to the English Championships

There are 16 x TRI, 12 x DMT, 10 x TRS and 12 x DIS (TRI), 8 x DIS (DMT), 10 x DIS (TRS) places available in each age group per gender (male and female) for qualification ranking. Ranking will be determined based on the criteria stated below in the following order:

Criteria 1: Gymnasts must meet the requirements on nationality set out in section 2 in this document.

Criteria 2: To be eligible to compete at the English Championships, a gymnast must have competed in, at least, one (or both) of the English Qualification Series and be ranked in the top 16 as stated in the criteria below.

Criteria 3: Gymnasts who qualify for the British Championships at the Spring Event Series (SES) are eligible to be ranked for qualification to the Gold level of the English Championships (up to 16 places) provided criteria 1 and 2 are met and their score is within the top 16 gymnasts.

Criteria 4: Gymnasts who take part in the English Qualification Series are only eligible to be ranked for qualification for the English Championships provided criteria 1 is met.

Qualification

Gymnasts who meet the criteria above will be ranked and those ranked within the top number of gymnasts as stated at on page 9 and 23, will be eligible to compete at the English Championships.

Gymnasts may change levels between the two qualification events; however, they will relinquish their result and score from the previous competition i.e. if they fail to gain qualification at the second event, they will not be able to use their result from the first event to qualify for the English Championships.

Scores

Scores taken from the English Qualification Series Gold and Silver levels will be taken from the qualification scores only. Silver level will exclusively qualify through the English Qualification Series; no scores from the SES will be used to attain a ranking in the Silver level.

Scores can only be taken from FIG level at the British Gymnastics Spring Event Series. The score will be taken from the WAG and Voluntary routines, (not the compulsory routine) and added together and ranked alongside those scored at the English Qualification Series. Scores from SES will only count towards the Gold level places.

For age groups 9-10, 17-21 and Senior FIG gymnasts who don't compete a compulsory or only have two routines, the scores will be taken from the first two routines completed at the SES.

All scores from each of the qualification competitions will be taken and placed into a ranking. Those with the top ranked scores will qualify for the English Championships.

2. Eligibility

Membership

All persons attending English Gymnastics events in an official capacity, whether as a gymnast, coach, judge or official, are required to hold current BG membership in line with the level of competition entered and/or qualifications held i.e. Silver, Gold, Joint Gold or Life Membership of BG.

Nationality

The gymnast must be a British Citizen, holding a British passport (or be in the process of obtaining British citizenship and/or passport) and have lived in England for a period exceeding 48 months.

The mother, father or a grandparent of a gymnast must have been born in England.

AND

The gymnast must not be a member of a Squad of any other Commonwealth country or previously represented another Commonwealth country, unless the consents required by [Byelaw 17\(3\) of the Constitutional Documents of the Commonwealth Games Federation](#)  (CGF) have been obtained.

If a gymnast does not meet any of the above Criteria, but nevertheless wishes to be considered for entry, the gymnast may petition the English Gymnastics Approval Panel in writing via the [EGA Admin Manager](#). The Approval Panel shall be consisted of the Chairman and Vice Chairman of English Gymnastics, together with the individual Chairperson, in England, of the specific discipline within

which the gymnast is seeking to compete. The Approval Panel's decision in this regard shall be final. Decisions on these matters are not open to appeal.

Gymnasts

All gymnasts must hold current BG membership at the time of English Qualifying Events and Championships. Anyone discovered to have been without the correct membership for these competitions will be disqualified.

In normal circumstances, gymnasts should also be a member of a BG registered club. In exceptional cases, where a gymnast does not belong to a BG registered club, he/she must email the [English Event Enquiries](#) to enter the event. Such gymnasts will be given the classification of 'Unattached'. In such circumstances, the gymnasts must nominate an appropriately qualified 'Supervising Coach' and must also meet all other membership requirements.

Supervising Coaches

Supervising coaches' membership level must be Gold, Joint Gold or Life Members of BG and coaches must be qualified to the level of the skills being performed before being allowed to participate in an EGA Event. Coaches must also have attended a Sports Coach UK Safeguarding and Protecting Children Awareness course which must be renewed every three years and must be valid both at the time of entry and for the duration of the Event. Coaches must also have a valid Disclosure and Barring Service (DBS) Certificate both at the time of entry and for the duration of the Event, before being allowed to participate at an EGA Event.

For further information on Membership, please visit the [British Gymnastics Website](#).

Coach Qualifications

When submitting entries for an EGA event, clubs must ensure that the nominated supervising coach(es) is/are qualified to the level of the gymnast's performance. The practice of supervising gymnasts working above the level of the coach's qualification is not allowed.

Supervising Coaches entered onto the event entry should be the same ones attending the event, unless there are extenuating reasons why they cannot attend. If there is a requirement to change a coach, you must ensure that the replacement is of the same or higher level of qualification. This change must be made in writing via email to [English Event Enquiries](#) in the first instance. It is unacceptable to enter a coach you know will not be attending.

Guests

Gymnasts who are not English may be invited by English Gymnastics to take part in the English Championships. They will receive scores(s) but will not receive a ranking in the official competition results.

If a gymnast, wishes to compete as a Guest (see Nationality Eligibility section page 10) at an English Gymnastics event, the club/coach/Home Nation should email the [English Event Enquiries](#) before the closing date. Guest gymnasts will be placed on a waiting list. Following the competition closing

date, a decision will be made by the EGATTC as to whether the entry can be accepted. If the entry is accepted, the entry fee will then become payable and entered into the club basket.

Only those gymnasts classed as English (using the Eligibility criteria on page 10), are able to be ranked in the official competition results where an English title is being contested. English Gymnastics will award a medal to a Guest, but they will not take part in the official medal ceremony.

Where a competition provides a qualification route to take part in the English Championships, the result of a non-English gymnast will not lead to the displacement of an English Gymnast who would have otherwise qualified for the English Championships.

Participation is also subject to approval from their FIG member Federation/Home Nation in accordance with FIG statute. They will receive score(s), but will not receive a ranking in the official competition results. In such circumstances, the gymnasts will be referred to as Guest.

Age Policy

For entry to all age dependent categories, a gymnast's age will be taken as the age reached in the year of the competition. The minimum age for entry to English Gymnastics' events is 9 in the year of competition.

Tumbling Gold English Championships 2019

Object: to create a competition that is different from the British Championships, with its own unique identity, and adds value to the British program. We will adopt the format of the WAG and World Championships, to help prepare the GB teams. It will be the only domestic competition that offers the gymnasts and coaches the opportunity to duplicate the competition pattern gymnasts will experience at the World events.

Entry: Limited to the top 16 gymnasts of each gender ranked from the qualifying day of the British Championships in each age group: 9-10, 11-12, 13-14, 15-16, 17-21, Senior.

Silver Tumbling English Championships 2019:

Object: The English Silver competition will offer gymnasts the chance to taste FIG competition while relying largely on the NDP base they are coming from. This competition is for gymnasts from the NDP section of the tumbling discipline. The aim is to help gymnasts to decide if they wish to remain

within the NDP system or move across to the FIG system. It is the only domestic competition that will give them this valuable experience.

Entry: Through the already existing Regional NDP prelim competitions, which usually take place Jan-March. Regions will be able to nominate up to two gymnasts per grade/age band/gender, the same way they do to the NDP semi-finals. Regions are free to decide how to select the two gymnasts to represent them. The same gymnasts can attend both the English Silver and the NDP semi-finals if the Region/Club wishes or two different gymnasts can attend each competition.

FIG Development: This year, we will take 1/region/gender/age group. This will be reviewed after 2019 – we may increase the numbers going through to 2/region etc.

Content: Gymnasts from NDP 1-3 will compete runs 1 & 2 from the NDP they have qualified from and perform an additional third voluntary run. Run 3 will have 6 elements, and the elements will use FIG values (GB bonuses have been discontinued). The run will be marked from 10, the same as runs 1 & 2, but will carry an additional difficulty value. The medallists will be determined using the cumulative E scores from all 3 runs + the D value of run 3.

Gymnasts from NDP 4-5 will compete runs 1 & 2 from the NDP they have qualified from and perform an additional third voluntary run. Run 3 will have 8 elements, and the elements will use FIG values (GB bonuses have been discontinued). The run will be marked from 10, the same as runs 1 & 2, but will carry an additional difficulty value. The medallists will be determined using the cumulative E scores from all 3 runs + the D value of run 3.

FIG Development: These gymnasts will perform all 3 runs as stipulated in the Tumbling Development Plan 2019, for each age band, 9-10, 11-12, 13-14, 15+ with 1 set run marked from 10, 2 voluntary passes (max / min difficulty as stated), both marked from 10 + D scores from both runs.

Saturday

NDP 1, 2 & 3 and possibly 4 (depending on numbers) will perform their passes as stated above on the Saturday of the competition. All competitions will be completed on the single day, unless otherwise advertised.

Sunday

Possibly NDP4, definitely NDP5 and FIG Development will perform their passes as stated above on the Sunday of the competition. All competitions will be completed on the single day, unless otherwise advertised.

Late entries must be made via email to the [English Event Enquiries](#) and will then be referred to the Organiser for consideration. The Organiser will have absolute discretion whether to accept a late entry.

Applications will normally only be considered up to 7 days after the closing date.

Late entry requests may be placed on a Reserve List and clubs notified if their entry is accepted following a withdrawal. If the competition draw has already been made, late entries will be placed in a group at the discretion of the Organiser. Amendments to an entry before the closing date will not incur a penalty and in the case of withdrawals, the entry fee will be refunded. **Entry fees are non-refundable after the closing date.**

venue and produce their coaching award certificate, current BG membership card and current BG specific DBS and Safeguarding certificates or they will be unable to access the competition floor.

Provision of Officials

Qualification Series: The EGA will not be responsible for booking any rooms or pay any expenses towards judges travel or accommodation during the English Qualification Series. Clubs will be required to nominate judges for the English Qualifying Series when entering gymnasts online.

English Championships: Clubs will be required to nominate judges or officials as part of their online entry for the English Championships. The EGTTC’s National judging co-ordinators for Trampoline and Tumbling will then appoint officials and judges for the English Championships from those put forward during the online entry process. The EGTTC will provide all accommodation and meals at the event but **WILL NOT** provide travel expenses.

Judges for the English Qualification Series should ideally hold the County Judge qualification as a minimum. Judges for the English Championships will be required to hold the Regional Judge qualification as a minimum. For each of these events, however, judges of a lower qualification may be considered for development purposes and should email the [English Event Enquiries](#) in the first instance.

Officials required for events.

Number of Competitor Entries	Number of Officials Required
2-3	1 suitably qualified judge
4-6	2 suitably qualified judges
7-9	3 judges (minimum of 2 qualified judge)
10+	4 judges (minimum of 3 qualified judge)

If clubs cannot supply the required number of judges the club will be required to pay a fine of £150 per judge missing, with a maximum charge of £600 for any one club at any one competition. This is so the organisers can try and supply an independent judge to make up for the missing judge/official.

The English Judge Co-ordinator may be inclined to accept officials such as marshals, floor security, door officials in place of a judge. This will be done on a first come, first served basis and once all places are full, the charges above would apply.

Withdrawal/Change of Officials:

Please note that any withdrawals of a judge up to two days before the competition will result in a £150 fine per judge withdrawn UNLESS another judge of equal or better quality replaces them. If a judge is withdrawn in the two days before or on the day of the competition the fine will increase to £300 per judge, UNLESS a suitable replacement is found to replace the missing judge. Please note, illness on the day DOES NOT permit clubs to withdraw judges without replacing them with another.

All fines must be paid in full before the start of the competition or the club will be refused access to the field of play, until the fine is paid in full - NO EXCEPTIONS.

Volunteers

Volunteers are vital to help with the smooth running of the competitions. We always welcome volunteers who will be willing to help setup and break down the competition floor at the start and the end of the event. The EGA welcome all young leaders and would be happy to find jobs for all who wish to volunteer to help make our competitions run smoothly. Please email the [English Event Enquiries](#) who will be happy to find you a job.

Appendix 1 Time of Flight Protocols

(Time of Flight Measurement Device = TMD)

ToF Score (T-Score) Protocol

The T score will be determined by the measurement retrieved via the TMD. In the event of this NOT being achieved the following back up protocols will be adopted:

ToF Back-up Protocol – 1 –

In the first instance, the T score will be determined using the TMD's recommended T-Score retrieval software-VTimer.

ToF Back-up Protocol – 2 –

In the event of the routine being missed on both the TMD and the capturing software, the competitor will be authorised another attempt(s). The authorisation will be granted based on 'faulty equipment'. In this scenario, the original E and D scores will remain the same. The attempt(s) will be judged only by the ToF judge and the routine being verified by the D judges. Should this happen, the following regulations will be applied:

The Chair of judges will negotiate only with the gymnast's coach for the most opportune moment for him/her to have their second attempt(s), (this must be completed within the time scale permitted as outlined in the event timetable).

The second attempt/s will be judged only by the ToF judge. The original E and D score will remain operative.

The gymnast must compete with the exact same routine as the one in which their T-score was missed.

In the event the gymnast fails to complete their routine after an agreed amount of attempts the T-score will be calculated based on previous scores.

ToF Back-up Protocol – 3 – (Previous Scores)

In the event of the gymnast failing to complete their attempts the T-score will be based on the T-score from the last (or previous) qualification event(s). However, the routine would have needed to be the same. Should this not be possible, this protocol will not be used, and Number 4 will become operative.

ToF Back-Up Protocol – 4 – (Final Resort – Calculations)

In the event of the gymnast not competing previously or performing a different routine, the T-score will be calculated in conjunction with the T-score's ranking averages of the respected tier group.
