

LEVERKUSEN Cup 2008 – Germany

The English Association entered the Leverkusen Cup, with a team of 3 female gymnasts:- Nina Dearman (Vernon Park); Claire Stock (Huntingdon GC) and Laura Edwards (Dynamo GC). The Team Coach was Chris Evans and the England judge was Betty Moss.

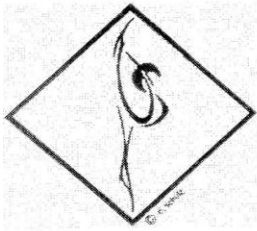

Leverkusen is near Cologne and the event has been run since 1976. It is an invitational event with teams entered from many different countries world-wide. This was the first time that England had entered a team in this event as English Gymnasts.

The competition itself on 18th October, was very impressive and attracted a 2000+ enthusiastic audience, which in itself was new experience for our gymnasts. The team scores were based on the 2 best of 3 scores. The team performed well and we were finally placed in 5th position behind 1st Germany (National Team), 2nd Italy (Lissonese), 3rd Slovenia (GD Zelena Jama) and 4th Belgium (National Team). Full results are enclosed herewith.

The English Association have competed internationally on 3 occasions in the past 12 months and following the introduction of the England National Squads, who are selected annually from the English Championships. The events to date have been the Rushmore International, Mayor's Cup – Vladimir – Russia and the Leverkusen Cup in Germany. Selection of gymnasts for England Teams does not include any gymnasts who are current members of the GB Squads.
