Section 3: Overview of Selection Process

As standard practice to ensure GBR/EGA overview and consistency, the Head National Coach, England National Coaches, English TRA, TUM & DMT Technical Chair/England Performance Pathway Manager will be present at all selection meetings. The Key responsibilities of these individuals are:

- a) Proposing and Agreeing the selection policy for all GBR/ENG programmes and competitions.
- b) Holding nomination meetings in accordance with the selection process.
- c) Communication of the selected individuals.

- **Induction & Confirmation**

This is a dedicated period of time (typically 3 months) that allows a gymnast and the England Coaching Team to assess a variety of skills, knowledge and attributes aligned to what English Gymnastics feels it takes to win at a World level, to ensure membership of that programme for the remainder of the selection period.

- **Full Programme Member**

If after the induction and confirmation phase for a programme, the England Coaching Team are happy with the progress being made by a gymnast, they will officially remain on the programme for the remainder of the year. Those that have not made the standard will be informed accordingly.

Considerations / Gymnast assessments will be made on an ongoing basis as part of a gymnast's membership to the programme regarding whether gymnasts move up or down the pathway or are removed from the Programme altogether.

Section 4. General Information

In the event of injury, removal and/or the need for replacement, a replacement athlete may be called upon to join the Programme at any time.

Once Programme selections have been confirmed all selected athletes must agree not to withhold any information on training fitness, injury status or illness that could affect training or competition at any time.

An athlete may be removed from the Programme in the event of a non-compliance in training, lack of performance progression, a breach of responsibility to the Programme or a violation of the Codes of Behaviour adopted by the Programme. Prior to removal the athlete will be presented with the opportunity to attend a removal interview with the English Gymnastics TRA, DMT & TUM Technical Chair (or their appointed representative) and where possible one other independent person. Written justification must be provided for all removals by the English Gymnastics TRA, DMT & TUM Technical Chair. Decisions on these matters are not open to appeal.

At any stage following the Programme selection announcement, should there be a doubt over the ability of an athlete to train or compete to the best of his/her ability due to an injury or illness, the following procedure will be adhered to:

The athlete will be asked to undergo a medical examination to determine their fitness to participate. Initially this will be based on an assessment of whether the injury and/or illness is such that the athlete is physically unable to train or is at risk of causing medical harm to themselves or endangering other Programme members.

Any replacement(s) required will be made by the English Gymnastics TRA, DMT & TUM Technical Chair and England National Coaches based on the needs of the Programme. Decisions on these matters are not open to appeal.

Selected Programme Members agree not to make any announcement to the media or public in any form (including on any personal media) regarding their selection until after English Gymnastics have announced the Programme selection on the English Gymnastics pages via the British Gymnastics website (www.british-gymnastics.org/england/squads).

Section 5. Appeals

Should you feel that the Selection Policy has not been adhered to and that your non-selection / selection is unjust you must formally write to the English Gymnastics TRA Technical Chair with details.

Section 6. Anti-Doping

Athletes must be compliant with the British Gymnastics anti-doping policy at all times. The selection panel reserve the right not to nominate, select and /or deselect any athlete from any of the identified National Performance Pathway Programmes and/or competitions, on the basis of failure to comply with the [British Gymnastics anti-doping policy](#).

Section 7. Competition Eligibility Matrix

All major competitions, World, European and World Games, will have a specific selection policy that will be open to any athlete that feels that they can reach the detailed performance standards at the designated selection events. This will be placed on the British Gymnastics website on the link.
