Notes relating to the draw

- •ɪˈln all cases Clubs from South start on Floor, and North on Vault. The rationale is to help clubs who may have gymnasts in multiple levels/panels, and it being much easier to be in one location in the arena.
- ☐udges have been assigned a Particular Level to aide consistency
- •In nearly all cases Panel A and B are Level 3, Panel C is level 4, Panel D is level 5 and Panel E is level 6
- All the boys are now in round 5.
- •All the younger groups are now in round 2 each day to avoid too much of an early start, or late finish
