

Gymnastics Northern Ireland Management Committee Member

An exciting opportunity exists at Gymnastics Northern Ireland for committee members who can offer guidance, support, expertise and an objective perspective in the key areas of responsibility including; strategy, performance, risk and people.

Gymnastics in Northern Ireland is enjoying a period of success: participation is rising, membership is increasing, and our gymnasts are winning medals on a national and international level. It is an opportune time to join the management committee, who are in a period of transition and modernisation. We're getting ready for the opportunities and challenges that face us, including raising the profile of gymnastics in Northern Ireland, increasing participation levels even further and supporting our talented athletes to continue to make history.

We are seeking applicants who have a varied range of skills and experience, including the ability to challenge in a constructive way, to be forward thinking and to be passionate about making a difference. We're welcoming applicants with experience in; finance, duty of care, & marketing and communications, from diverse communities and backgrounds. What is also important is that you understand the value of diversity within the sport and particularly at board level and in the workplace.

If you believe you have the experience we are looking for, Gymnastics Northern Ireland would like to encourage you to apply for this position which will only require an investment of approximately 6 days annually. You will play a big part in driving Gymnastics Northern Ireland forward, building on recent success and further developing the sport and its profile across the UK and Ireland.
