Highlights of the year
Stephanie Ricketts and Toula Raftapoulou (Southampton) represented Great Britain at the World Age Group Championships in Belgium in April. They performed superbly and were placed 2nd overall in the combined final. An amazing achievement!

Also congratulations to the gymnasts from the South that competed for the British Team at the Lisbon International in June. Ellie Roberts-Day and Lucy Kavanagh (Oxford) achieved a Silver Medal at 11-16 Women’s Pairs and Sam Yarnall and Lucy Hodgson (Southampton) took Gold in the 11-16 Mixed Pairs.

Disability Gymnastics
The SR Acro TC resolved to try to develop disability gymnastics in Acro in the Region. To facilitate this the Acro SRTC provided a 100% bursary to any acro coaches taking the Disability Awareness module. This resulted in 7 acro coaches within the Southern Region passing their Disability Awareness module.
