

SR Womens Artistic report for South Region meeting – Dec 2019

South Region Womens Artistic have now completed ours competition year. We qualified teams to National Voluntary levels in November with Tiegan Trafford (Abingdon) winning silver at Individual Voluntary Level 2. We entered a regional team – Gabby Connelly & Sofia Matthews (Arabian), Paige Carder (Aylesbury, Holly Curran & Mia Perryment into the Sandra Clarke Cup and won the team bronze. On the same weekend Dynamo took a young team to the Tournoi International in France and Rio Gawne-Cain won the Espoir Beam title. We also entered 2 teams into the Bill McLoughlin National Apparatus Team competition to give our regional squad some additional competition experience.

Internationally, following on from her achievements at Junior Worlds, Jennifer Gadirova (Aylesbury) represented GB at the Elite Gym Masila in Marseille. She won an individual gold medal on vault and silver on floor.

WA Judging courses, we are running both a Club Judge course and a Regional Judge course at Bracknell in February 2020. These will be the last of this cycle and we will be providing bursaries towards the cost of the Regional Judging course for those judges who have qualified as a club judge this cycle already, so that we can support clubs and judges who have already paid for a judging qualification this current cycle and wish to progress further as we feel this will further support our judges at our competitions.
