

## **Regional Administrator Report – AGM 2012**

### **Regional Affiliation 2011**

I am going to collect the regional affiliations between Jan-Mar 2013. The clubs can affiliate via the counties (Buckinghamshire and Oxfordshire) or directly to the region (online or by post). After the proposed fees will be approved, I will make the necessary changes on the website and send out the renewal letters, including the current benefits of affiliation to the South Region.

### **Communication**

Our weekly e-newsletters to the clubs have been sent as per normal. We constantly encourage clubs to submit their stories, events and to share their achievements and successes to everyone in the region. The quarterly newsletter has been ceased due to the cost of printing and sending them out. The regional website has been updated on a regular basis, with club news, job opportunities, information regarding the technical committees. One of my priorities is to encourage a better communication between the region and the technical committees and I invite all the technical committees and the counties to post and advertise on our regional website.

### **Club Conference and Regional Awards 2012**

The club conference and regional awards took place on 11<sup>th</sup> Nov at the Dynamo School of Gymnastics. We had a good attendance and excellent workshops. The awards were presented to the winners and information was posted on the website and e-newsletter.

### **The 2012 Awards Winners are:**
