

South Development Team AGM report 2012

Club Development

There are currently 109 registered Clubs in the Region with 63 of those having attained the GymMark award. BG membership for the South is 19995 (end of Sept), up 6.1% on last September. So far this year we have worked with approx. half of the Regions Clubs on projects ranging from GymMark, new classes/disciplines, funding applications and Facility development projects.

Facility Funding

We've had one BG funded project this year at Basingstoke GC. There's also been four Clubs that have been awarded Sport England Inspired Facilities funding.

Leisure Centres

There are 18 Leisure Centres registered with BG. Support for the Leisure Centre scheme has been recently transferred to the Regional Development Teams and we will focus on working with existing LC partners to help them develop.

Leadership Academies

We have 12 groups signed up for the new My Leadership Academy programme.

Schools

Since the start of the new BG Partner School programme in September, 23 Schools have registered and this is increasing steadily. We will be supporting these Schools and the SGO's to run a programme of local Key/Next steps competitions.

Events

We held a successful GymFusion event in January. 16 teams took part with approx. 400 spectators. Next year's event is booked for 11th May at Bracknell LC. The recent Club Conference in November at Dynamo was a great success with almost 50 people attending and enjoying a selection of theory and practical sessions.

To make the most of our resources we take a targeted approach to our workload, so if you have a specific request for assistance please let us know.
