About

West Midland Amateur Gymnastics Association

It is the responsibility of the Gymnastics For All Technical Committee (GFATC) to provide the West Midlands region with competitive opportunities for recreational gymnasts, striving towards the ethos of George Finney's vision of - "participation of the masses".

George Finney, 1947 – 2007, was an important member of the West Midlands in the discipline of General Gymnastics and also a leading light in the British Schools Gymnastics Association, giving much of his free time organising competitions specifically aimed at children who could enjoy taking part no matter what level they were at. George was one of those rare individuals whose sole aim in life was to serve other people. He was always at the hub of organising activities including gymnastics competitions and festivals for people of all ages and abilities in the West Midlands and throughout the country. Their success was in no small part due to the time and patience that he had and his meticulous attention to detail.

He had an uncanny ability to persuade others to assist and become involved in gymnastics and give freely of their time. The competitions that are organised by the committee are specifically for gymnasts of recreational ability who are not looking to compete in higher level competitions. Our mission as a committee now is to honour his legacy and do our utmost to provide a high standard of gymnastics for all gymnasts to participate in.

Deductions

You will find general deductions in the 'Skills and Tariff Sheets' accompanying this handbook.

There will be one panels of judges with a maximum of three judges on each apparatus, where possible to ensure the flow of the event is maintained. The Competition Organiser will appropriately place the judges out in-line with their qualification and experience; this will also suit the categories applied to the competition.

Judge slips

When you are nominating a judge, you may wish to show them the below judge slip. This judge slip may be like what the judges will be using on the day to work out each team's final score.

From this score sheet you can see how important it is for you as a coach to understand the tariff correctly, for judges to be able to 'judge' efficiently and keep the flow of the competition moving smoothly.
