

On the weekend of 11th, 12th May 2019 – the NDP English Tumbling Championships took place at the International Centre, Telford. Gymnasts who compete in NDP levels 1 – 5 and FIG Development competed for their clubs, but as a region we like to recognise their achievements. The West Midlands as a region picked up 19 medals, of which 11 were gold! Well done to all the clubs involved, the coaches and the tumblers.

The championships provided a perfect preparation environment for those competing in the NDP Semi-Finals (Regional Team Finals) in June!

Results and photos of our medal winners are below ...
