January 2015

Following the TC Meeting on the 12th December 2014, the TeamGym TC issue the following update.

Coach Education Enquiries

Please ensure that all coach education enquiries are directed to Enid Harrison (National Coach Education Panel representative on the TG Technical Committee). Enid's email is north@baga.co.uk

UK Mods 2015

Please note that British TeamGym Events are on the 2013 UEG Code of Points (Revision A) with the 2015 UK Modification v2 applied. These can be found at <http://www.british-gymnastics.org/technical-information/discipline-updates/teamgym>.

Please take careful note of the length of floor routines for each level of competition entered. Levels 1-3 have the UEG time for floor without modification.

Further information about competitions can be found within the TG National Competition Handbook <http://www.british-gymnastics.org/technical-information/competition-handbooks/teamgym>.

Matte Hart has been appointed to the Coaching Sub Group as Vice-Chair and Enid Harrison's second for the NCEP role. Matte is a TG Level 5 coach and also on Adrian Stan's High Performance Coach course. Matte will be working with the rest of the Coaching Sub Group to advise on the details of the new Zonal squads.
