Technical Symposium

We look forward to our annual technical symposium, which will take place next month at Lilleshall. The aim of the symposium is to bring together coaches, judges and club officials from across the Rhythmic community, and we have a wide program of lectures and practical sessions planned, as shown in the timetable attached. Due to popular request, we will also be holding our social evening and quiz on the Saturday evening as last year. Look forward to seeing you there ☺

For those of you who haven't yet registered, form and payment instructions attached. Please note, if you require accommodation, please contact [Amy Nixon](#), who will advise on any remaining availability.
