

TeamGym Technical Committee

July 2022

Mid Europeans TeamGym Championships

Italy will host the first Mid European TeamGym Championships from 16-19 November 2023.

This event will follow a similar format to the Nordics, with Senior & Junior Club Teams selected to represent their countries (similar to the old EuroTeam format).

More details to follow at the 14th European TeamGym Championships in Luxembourg along with BG's own selection policy for the event.

Dates for BG National Events 2023

National Qualifier 1 – 4th & 5th March 2023 in Newcastle

National Qualifier 2 – 11th & 12th March 2023 in Southampton

British Championships – 29th & 30th July 2023 in Liverpool

UK Mods 2023

The UK mods are now available on the BG website (<https://www.british-gymnastics.org/technical-information/discipline-updates/teamgym>)

The competition handbook and national events are still under review. Please note that in 2023 there will be a requirement for clubs entering national events to supply a judge (Regional level or higher). Details of this will follow soon.

Judging

The TGTC and the Education department are currently working very hard to get the new judging courses rolled out ready for the 2023 national events. The National Judging Course is currently open and nearly full. Watch out for the online Regional and Club Courses when they become available. We very much hope that the online format of these new courses will make judging qualifications more accessible and affordable throughout the UK.

We can also report that all of the GBR brevets for this cycle have done very well in the European revalidation exams, so our congratulations to Lisa Rose, Jenny Thompson, Lisa Souter, Justin Frank, Clare Clarke and newly qualified Amanda Boucher.

TeamGym Technical Committee

Coaching Courses

TeamGym Level 1 course are continuing online for the time being, mainly due to the advantages this has brought for accessibility. However, face to face courses for Levels 2, 3, 4 and 5 have all resumed so please watch the BG website for dates. If ever the course you want aren't available, always place an expression of interest with the education department as they will organise courses based on demand.
