

## Trampoline Technical Committee

Dear Clubs,

British Gymnastics is working hard with the English Gymnastics Association to establish a comprehensive and integrated competition pathway for trampoline, tumbling and double-mini trampoline. As such, English Gymnastics will be launching their competition programme for 2017 which includes two qualifying events and the English Championships.

In order to support this development, promote the partnership between BG and EGA and prevent an overly crowded competition programme this autumn the proposed British Club Teams & Synchronised Championships will be cancelled in 2017. The English Championships will now take place during this weekend (14<sup>th</sup>-15<sup>th</sup> October) utilising the booking already made at EIS Sheffield.
