

Northern Ireland Performance Pathway
Women's Artistic Gymnastics

BG

**Performance
Programmes**

**BG - National Talent
Development
Programmes and Talent
Squads.**

Home Nation Squads – once the regional squads are developed the competition structure will be shaped around these. All clubs and gymnasts will participate in a regional competition structure which will feed into NI Championship competitions. Gymnasts will be selected from these and invited to NI Development and Talent Squads.

Regional Squads – The Pathways coaches will run regional squad sessions . All local gymnasts in each region will be invited to talent ID events where these coaches and member of GNI will select those gymnasts suitable for our Regional Talent Development Squads.

Clubs – NI will provide support and appoint 5 Regional Area Pathways coaches who will be trained between June – December 2016 to lead pathways programmes. They will be available to support clubs and to run area specific course for coaches and gymnasts.
