Eligibility

Membership

All persons attending BG events in an official capacity, whether as a gymnast, coach or judge are required to hold current BG membership in line with the level of competition entered and awards held.

Coaches, judges and gymnasts should carry current membership cards to all competitions and be prepared for these to be checked by the Organiser or their appointed officials.

- **Gymnasts**

Membership level must be Gymnast, Judge, Coach or Life Members of BG in order to enter a BG event. In normal circumstances, gymnasts should also be a member of a BG registered club.

In exceptional cases, where a gymnast does not belong to a BG registered club they must contact the Events Department and request entry into the event. If granted, such gymnasts will be given the classification as being Unattached. In such circumstances the gymnasts must nominate a Supervising Coach and must also meet all other membership requirements.

- **Lead Coaches**

Lead coaches' membership level must be Coach or Life Members of BG and coaches must be qualified to the level of the skills being performed by all Gymnasts in the club/Region before being allowed to participate in a BG Event. Coaches must have current safeguarding and DBS certificates, please see Safeguarding section. The lead coach may authorise other coaches from their club/region to coach skills at a maximum of one level higher than that coaches' qualification but has responsibility for insuring that they are competent to do so. Lead Coaches must have a current safeguarding certificate. Please see Safeguarding section. For further information on the changes introduced this year for Lead and Supervised Coaches, please click here. 

- **Coaches**

Supervising coaches' membership level must be Coach or Life Members of BG and coaches must be qualified to a minimum of level 2. Coaches must have a current safeguarding certificate. Please see Safeguarding section.

- **Supervising Coaches**

With the explicit authorisation of the lead coach, supervising coaches may coach skills at the maximum of 1 level higher than their current qualification before being allowed to participate in a BG Event, in this instance the supervising coaches must have completed the relevant course or module of the next coaching level covering those skills, although they may not yet be signed off as qualified.

Coaches must have a current safeguarding certificate. Please see Safeguarding section. For further information on the changes introduced this year for Lead and Supervised Coaches, please click here. 

- **Assisting Coaches**

Assisting coaches' membership level must be Assistant Coach (if Level 1), Coach or Life Members of BG before being allowed to participate in a BG event. Coaches must have a current safeguarding certificate. Please see Safeguarding section. Assisting Coaches cannot be responsible for the Gymnasts.

- **Chaperones**

Chaperones must have current BG membership and Safeguarding award will only have access to the warm up hall when in attendance at an event.

- **Judges**

Judges' membership level must be Judge or Life Members of BG for Club/County/Regional Judges, and National/Brevet Judge or Life Members of BG for National and Brevet Judges before being allowed to officiate at a BG event.

From time to time British Gymnastics may invite international judges to officiate at BG events, as such they will not require BG membership.

Judges must also hold a current cycle of judging award (Cycle 14).

BG does not require judges to complete a criminal record check to judge at BG competitions, as the role that judges fulfill at the event no longer falls within DBS or Access NI Eligibility*. However, some judges are actively involved in club gymnastics and may provide judging instruction to children in a training environment or carry out a supervisory role (or may complete a criminal record check by virtue of another role they undertake e.g. coach). As not all judges use their qualification in the same way, it is the club's responsibility to assess the role the judge is undertaking and determine whether the activities involved fall within the eligibility criteria for a criminal record check. BG no longer requires all judges to complete safeguarding training, but clubs should ensure any judge who supervise or instructs children has completed appropriate training.

* Judges who are involved in Scottish competitions should refer to [Scottish Gymnastics](#)  for further guidance as to whether a check is required.

For further information on membership levels please visit the [British Gymnastics website](#). 

Competitive levels

As a Gymnastics for All event, we would like to make this competitive opportunity as accessible as possible for all adult gymnasts. Subsequently, there is now no need for gymnasts to be retired from national domestic competition for two years, and the strict guidelines around who can compete in which ability category has been relaxed. As such, the below should be treated as guidance.

- **Introductory** (Women's Artistic & Trampoline Gymnastics only)
Suitable for competitors that are brand new to the sport
- **Novice**
Suitable for competitors that have previously competed at club level within the relevant discipline
- **Intermediate**
Suitable for competitors that have previously competed at a county/regional level within the relevant discipline
- **Pro**
All competitors must have officially retired from GB and/or home nation domestic competitions and squads prior to entry.
Suitable for competitors that have previously competed at national level
- **Open** (Trampoline Gymnastics only)
For experienced gymnasts capable of performing a routine with difficulty totalling 6.3 or above.

We would like to encourage competitors to enter the correct competitive level to ensure the Adult Gymnastics British Championships is a fair and enjoyable event for all involved. The Organiser retains the right to move a gymnast into the correct competitive level whilst the competition is in progress if it is felt they are performing skills above what is expected for that competitive level.

For reference and examples of level of ability and skill types used within the competition, please see the competition videos of previous years' events within GymNET – Under “My Account” & “Competition Videos”.

Competitors cannot enter an ability level lower than they have previously entered e.g. from Pro in 2019 to Intermediate in 2020 (unless in exceptional circumstances which must be discussed and agreed by the Competition Organiser).

Level appropriate skills and requirements for each discipline are stated within the relevant discipline specific rules. Each discipline will follow the British Gymnastics Code unless otherwise stated within the discipline specific rules document. If you have any queries regarding the eligibility of a competitor or which competition category to enter, please ensure you contact the Organiser prior to submitting your competition entry.

Please note: If competitors perform a skill above the difficulty of the competitive level entered then a 1.0 mark penalty will be applied to their score as well as any execution deductions for the skill.

Coach qualifications

When submitting entries for the Adult Gymnastics British Championships, clubs must ensure that where applicable, the nominated Lead Coach is qualified to the level of performance of all the participants from their club. Supervising Coaches must be a minimum of level 2. With the explicit authorisation of the Lead Coach, Supervising Coaches may coach skills at the maximum of 1 level higher than their current qualification. If coaching at one level higher than their current qualification, coaches must have completed the relevant course or module of the next coaching level covering those skills, although they may not yet be signed off as qualified.

All Coaches entered onto the event entry must be the same as those attending the event. Lead Coaches have a duty of care towards their performers and have responsibility to ensure that all of the coaches under their supervision are both qualified and competent to teach at the appropriate level, as well as, ensuring that the participant is adequately prepared, physically and psychologically, for performing their routines in a competition environment.

Additional Assisting Coaches may be accredited, at the discretion of the Organiser, to be present in the competition arena to assist with the pastoral care of the gymnasts. Assisting Coaches may not coach the gymnasts unless they fulfil the requirement of holding a recognised qualification suitable to the level of skills being performed.

Additional Chaperones may be accredited; at the discretion of the Organiser, to be present in the warm up arena to assist with the pastoral care of the gymnasts. Chaperones may not coach the gymnasts.

If it is found that a club is in breach of these policies BG reserves the right to reject an entry on the grounds of gymnast safety or, if discovered post performance, to disqualify the competitor and remove their score(s) from the official results.

Safeguarding

All Coaches are required to hold a current BG specific DBS certificate, or Home Nation equivalent, and have current Safeguarding and Protecting Children Awareness training at the time of the event. Coaches who do not fulfil this requirement will not be accredited or allowed to participate at BG events.

All gymnasts must have an accredited coach present on the competition floor at all times. If a gymnast attends a competition without a Supervising Coach they will not be allowed to compete.

The safeguarding courses recognised by British Gymnastics are:

Sports Coach UK (scUK) Safeguarding and Protecting Children Awareness course
Local Safeguarding Children's Board (LSCB)
Football Association (FA) Safeguarding training
Professional prior learning i.e. Social Worker, Teacher etc.

This must be renewed every three years and be valid both at the time of entry and through to the end of the event. 

For members who have previously completed a face-to-face course, an online refresher update course is available.  Coaches are responsible for checking the expiry date of their safeguarding and ensuring they have sufficient time to renew their award prior to the closing date of the event.

Coaches must also have a valid BG DBS Disclosure both at the time of entry and through to the end of the event before being allowed to take part at a BG event. 

Age policy

Gymnasts' ages will be taken as the age reached in the year of the competition.

Nationality

Participation in all British Gymnastics events is subject to the requirements of membership, club/regional registration and other conditions of entry.

In addition, the following regulations concerning Nationality are applicable to British Gymnastics events.

British Championships

Only those in possession of a valid United Kingdom passport (and do not hold a FIG licence for another member federation) are eligible to be ranked in the official competition results, where a British Championships title is being contested. This is effective for individual competitions. In team competitions or where gymnasts compete together as part of a group/partnership, all the gymnasts must be in possession of a valid United Kingdom passport in order for that team/group/partnership to be ranked in the official competition results.

At the discretion of the British Gymnastics Technical Committee and with agreement from the British Gymnastics Performance Director Sport (or their appointee), those who are not in possession of a valid United Kingdom passport may take part in competitions where a British Championships title is being contested. Participation is also subject to approval from their own FIG Member Federation in accordance with FIG statute. They will receive score(s) but will not receive a ranking in the official Competition results. In such circumstances, gymnasts will be referred to as Guests.

Gymnasts holding dual citizenship (including a valid United Kingdom passport) are only eligible to receive a ranking in the official results (either as an individual or as part of a team/group/partnership) if they do not hold an FIG License registered by another FIG Member Federation or have not represented another FIG Member Federation.

Gymnasts who are not in possession of a valid United Kingdom passport and who are not members of British Gymnastics may be invited by the British Gymnastics Technical Committee or Performance Director to take part in the British Championships. They will receive score(s) but will not receive a ranking in the official competition results.

Disclosure

It is the responsibility of the person making the competition entry to ensure that all of the gymnasts have declared their nationality within the GymNET Online Membership Portal.

British Gymnastics Transgender Policy

For information on Transgender, please refer to the British Gymnastics Transgender Policy which can be found here 

Competition entries

Entry process

Entry to all national BG events are online only. Complete instructions for adding an entry via the BG GymNET Online Entry Portal are available to download from the [BG website](#). 

All entries must be fully submitted electronically to BG by the stipulated closing date and time.

Prior to the event, an entry may only be amended by the person making the original entry.

Guests

If a gymnast wishes to compete as a guest (see Nationality section above for details of guest gymnasts) at a British Gymnastics event the club/coach should contact the events department in the first instance before the closing date. Guest gymnasts will be placed on a waiting list. Following the competition closing date, a decision will be made between the Technical Committee, the Events Department and the Performance Department as to whether the entry can be accepted. If the entry is accepted the entry fee will then become payable and entered into the club basket.

Team entries

To submit team entries, please contact the Events Department directly following the submission of your online club entry into the event. Team information will be requested and details of payment will be confirmed. Please contact events@british-gymnastics.org to submit your team entry. Please see further details within the table on pages 8, and on pages 19 & 20.

Methods of payment

Payment can be made by Debit Card, Credit Card or BACS payment. BACS payment however may slow the entry process. Payments should be received by BG within 48 hours of the entry being submitted.

Entry fees are non-refundable after the closing date.

Late entries

Late entries will only be considered in exceptional circumstances and only up to 7 days after the closing date.

In the unlikely event of a late entry being accepted, payment of three times the normal entry fee stated for the competition will be required. For late team entries the fee will be double, however, the late entry payments will be capped at £1000 (i.e. the additional payment over and above the normal entry fee per gymnast/partnership/group/team will be capped at £1000).

Late entries must be made in writing to the BG Events Department and will then be referred to the Organiser for consideration. The Organiser and BG Events Department will have absolute discretion whether to accept a late entry.

Withdrawals & substitutions

Amendments to an entry before the closing date will not incur a penalty and in the case of withdrawals, the entry fee will be refunded. Entry fees are non-refundable after the closing date.

Where it is necessary to substitute a coach the club must inform the BG Events Department in writing at events@british-gymnastics.org, so the coach can be checked for membership, awards and safeguarding, before they can be accredited for the event.

Where, through unforeseen circumstances, this is not possible or, where information has not previously been supplied, the substitute must inform the Organiser immediately on arrival at the venue and produce their coaching award certificate, current BG membership card and a current BG specific DBS and Safeguarding certificate.

General Regulations

Coaches must make adequate provision for the 'supervision' of their gymnasts upon arrival at the venue. Gymnasts will not be allowed to register or begin warm up without their coach present.

Registration

Only register yourself/your gymnast(s)/your club when those competing in that section of the event have arrived and intend to compete. Please inform the registration desk of any withdrawals as soon as possible.

During registration, accreditation passes will be issued. Abuse of accreditation passes may result in disciplinary action taken by BG.

Specific registration processes where appropriate can be found in the event work plan.

Order of performance

The order of competing shall be decided according to the competition arrangements made by the Organiser. For the purpose of maintaining the smooth and timely running of the event, or where the safety, security and good performance of the gymnasts is a concern, the TC reserve the right to alter the grouping of gymnasts and/or running order of performances as may be deemed necessary by the Organiser or authorised officials, up to the start of warm-up.

Wherever practical the Organiser shall produce and circulate to all participating clubs a provisional start list and running order for an event at least 2 weeks before the day thereof.

Music licensing (where applicable)

All music used in competition routines must conform to the relevant licensing requirements. Details may be found at the following link

To check tracks, go to [PPL website](#), then scroll to the bottom of the page and click on 'PPL Repertoire Search'. Enter the artists name and title. Any music listed as part of the search can be used. If the track is not included within the listed tracks the club must apply directly to Disney, Andrew Lloyd Webber or Cirque du Soleil to use the track and pay the relevant licensing fees.

Competition apparatus

All apparatus will be to current FIG specifications with some exceptions. Please refer to the apparatus specifications within the relevant discipline specific rules document and the British Gymnastics Code of Points for further details.

Tall gymnasts – Uneven Bars

Both bars may be raised by 10cm where a gymnast's feet touch the basic matting while she is hanging on high bar or hips touch the basic matting while she is hanging on low bar.

Where a single bar is used this may be raised so that the gymnast's feet in long hang clears the matting.

The request for the bars to be raised must be at the time of competition entry. The Events Department/Competition Organiser must be contacted directly in order for the request to be considered. The bars will be raised in accordance with the FIG regulations. Unauthorised raising of the bars will be penalised in accordance with the FIG regulations.

Access to Warm-up Hall

Access to the Warm-up Hall will be limited to the appropriate number of Coaches, Choreographers, Chaperones as defined in the specific details section on page 20, for each event. On arrival, coaches will need to register and collect accreditation from the Registration Desk. In the case of events spanning more than one day, separate accreditation will be issued for each day.

Abuse of accreditation passes may result in disciplinary action taken by BG.

Judges will not be allowed into the Warm-up Hall once the judges meeting has taken place.

Food & drink

There may be restrictions within the competition areas with regards to food and drink. This is to manage food intolerances & allergies. Details on where to purchase refreshments during the competition will be included within the event Work Plan.

Babies and young children

In the interests of safety and for the smooth running and professional presentation of the competition, babies and young children are not permitted to enter the Warm-up Hall or competition areas, even if they are being supervised by an adult.

Medical provision

Anyone requiring First Aid assistance should speak to either the Competition Organiser or BG medical team. It is recommended that all coaches have a First Aid kit with them for minor injuries.

At all BG events an official medical team will be appointed and will be available to treat gymnasts who sustain an injury at the event. The medical team are not able to treat pre-existing or chronic injuries.

Any injury occurring during the official training or competition must be reported to the medical team, to ensure a record can be kept of treatment given and by whom.

The decision of the Organiser, based upon the recommendation of the BG appointed Medical Officer as to the gymnast's health and medical status and their ability to compete at the event, is absolute and final.

Inquiries

Official inquiry forms are available from the Superior Jury/ D1 Judge at each apparatus and must be completed and returned to them within 15 minutes of the coach receiving the score slip. Inquiry forms will also be published in the event Work Plan. If necessary, a coach should register their intention to inquire by approaching the Competition Organiser before completing the form. If a coach has approached the judging panel and discussed a gymnast's score, they may not register an inquiry. A coach may only inquire about the D score.

The Supervising Coach for the club of the competing gymnast places the appeal form with the Superior Jury/D1 Judge.

The placement of an inquiry form becomes a contract to pay the appropriate fee:

- First inquiry: £25
- Second inquiry: £50
- Third and subsequent inquiries: £75

This fee will not be collected in cash at the event but added to the basket of the club/coach concerned, if the inquiry is not upheld.

The Superior Jury/D1 Judge cannot accept any video or photographic analysis at an event unless an official video replay system is available at each piece of apparatus and could be referred to by the D panel for the benefit of every competitor at the discretion of the Superior Jury/D1 Judge.

Medal ceremonies

Except in exceptional circumstances, gymnasts who win a medal at a BG event are expected to remain in the venue until the completion of the competition and participate in the medal presentation ceremony in order to collect their award in person. Competitors must wear their competition attire or appropriate club kit/team uniform for the medal ceremonies.

Pat English Trophy

Pat was an inspiration as both a coach and competitor; right up to the day he died. He amazed everyone when performing a front somersault in his routine, especially when in his 60s. He was so kind, and always willing to help fellow competitors.

The Pat English Trophy is awarded to a competitor, coach or official who shows great sportsmanship; supporting fellow competitors/coaches/officials and spreading infectious spirit throughout the competition.

If you wish to submit a nomination, the form can be found in the Work Plan.

All perpetual trophies remain the property of BG.

The winner is responsible for the safekeeping and maintenance of the trophy and for returning it to the Organiser prior to the competition the following year by either;

- Making arrangements for it to be delivered to the competition venue on the day
- Returning it to the Organiser at least one week prior to the competition
- Returning it to the BG offices at least one week prior to the competition

Failure to do this or loss of the trophy will incur a cost to the individual.

Social event

The Adult Gymnastics British Championships 2020 social event will take place on the evening of Saturday the 8th of August. Further details of the social event will be included within the event Work Plan.

Please note: The social event is for coaches, competitors, officials and spectators and will be dependent on numbers. There will be an additional cost to attend.

We recommend booking accommodation at Lilleshall National Sports Centre if you'd like to attend the social event so that you do not need to travel outside of the venue. Accommodation is limited and will be on a first come first served basis, so we recommend booking as soon as possible. To book or make an enquiry, please call: 01952 225903 or follow this link .

They may also be shared with relevant third parties organisations for journalistic/promotional purposes. The results of BG competitions are published and videos of routines performed by participating gymnastics are made available for viewing by BG members.

Any gymnast or parent who does not wish themselves or their child to be photographed/filmed at the event must advise the British Gymnastics Events Department or the Event Organiser. Although it is not always practical to manage the content of live streamed footage, we will ensure any identifiable images of the participant are not published.

Any person wishing to use video, film or take photographs must abide by the [BG Photography at Gymnastics Events Policy](#).

 Photos may only be taken for personal use. Unless specifically accredited to do so, you may not take photos for sale, other commercial use, or publication in printed or electronic form, such as on websites. Clubs may publish photos but this may only be done in accordance with the [BG Safeguarding & Protecting Children Policy](#). 

Flash may not be used at any time while gymnasts are warming up or competing.

Coaches must not photograph/video when on the podium

If you have concerns about the identity or actions of any photographer or if you believe that any unsuitable photos are being taken, you should report your concerns to the BG appointed Welfare Officer at the event.

Health & safety

The health, safety and welfare of all participants (gymnasts, coaches and officials) is the primary consideration. All BG policies and procedures will be rigorously applied with regards to health, safety, welfare and safeguarding & protecting children and vulnerable adults.
