

Adult Gymnastics British Championships 2022

Competition Handbook[©]

COVID-19 Related Preface

COVID-19 and the associated restrictions have had a huge impact upon all our lives and our community. The implications have been clear in relation to the British Gymnastics 2020 and 2021 National Event calendars, where the majority of planned activity in both years have been cancelled.

However, with the vaccine roll out continuing at pace, it is with greater hope that we look forward to resuming the programme of Events in Autumn of this year.

We have been working very closely throughout the pandemic with the Technical Committees and Performance teams to review how best to recommence their respective event programmes and it is likely that this iterative planning process will need to continue for some time to come.

Whilst our planning is progressing on the basis that social distancing will shortly be coming to an end, we will be taking all reasonable steps to create a COVID-19 secure environment at Events in alignment with current government guidance.

This may require limiting capacity of both entries and spectators within event venues to ensure social distancing can be maintained, increased cleaning and hand hygiene provision and the implementation of personal protective equipment (where necessary).

It's important that everyone planning to attend an Event understands that although measures will be put in place to decrease the likelihood of transmission or contraction of COVID-19, the risk cannot be eliminated.

As such there is an increased risk associated with attendance at an Event and everyone must consider their own circumstances which includes but is not limited to personal underlying health conditions (of themselves or someone within their household), when making an assessment about attending events.

It is also important that each individual understands the responsibilities they have to keep not only themselves safe but to work together to make sure we can create a safe environment for all – we really do need everyone's help!

As a result of the restrictions being different for each part of the UK in late 2020 and the impact restrictions have had on every club have varied widely, it is acknowledged that it will be more difficult than normal to create a completely level playing field for all.

As always, we ask coaches to make the appropriate assessment of a gymnast's ability level and their readiness both physically and mentally to take part in future events, based on your own particular circumstances.

It is fully acknowledged that some flexibility and changes to the normal way Events are staged will be necessary for the foreseeable future.

We are therefore extremely grateful for everyone's patience, understanding and co-operation in trying to regain some much needed normality in these incredibly challenging times.

Eligibility

Membership

All persons attending British Gymnastics events in an official capacity, whether as a gymnast, coach or judge are required to hold a current British Gymnastics membership in line with the level of competition entered and awards held.

- **Gymnasts**

Membership level must be Bronze Gymnast, Competitive Gymnast, Coach or Life Member of British Gymnastics, in order to enter a British Gymnastics Event.

In normal circumstances, gymnasts should also be a member of a British Gymnastics registered club.

In exceptional cases, where a gymnast does not belong to a British Gymnastics registered Club, they must contact the Events Department and request entry into the Event. If granted, such gymnasts will be given the classification as being "Independent". In such circumstances independent gymnasts must nominate a coach and must also meet all other membership requirements.

For all Grades/NDP Events, gymnasts must hold current British Gymnastics Competitive Gymnast membership at the time of the Regional Qualification Events. Anyone discovered to have been without the correct level of membership for these qualification Events will be disqualified.

- **Lead Coaches**

Lead Coaches' membership level must be Coach or Life Member of British Gymnastics and coaches must be qualified to the level of all the skills being performed by all gymnasts in the club/region before being allowed to participate in a British Gymnastics Event. Lead Coaches must have current safeguarding and DBS certificates, please see Safeguarding section. The Lead Coach may authorise other coaches from their club/region to coach skills at a maximum of 1 level higher than that coaches' qualification (Supervised Coach) but has responsibility for ensuring that they are competent to do so. For further information on the changes introduced for Lead and Supervised Coaches, please click here 

- **Coaches**

Coaches' membership level must be Coach or Life Member of British Gymnastics and Coaches must be qualified to a minimum of level 2. Coaches must be qualified to the level of the all the skills being performed by the gymnasts for which they are responsible Coaches must have current safeguarding and DBS certificates. Please see Safeguarding section.

- **Supervised Coaches**

To be a Supervised Coach you must be a minimum of Level 2. With the explicit authorisation of the Lead Coach, Supervised Coaches may coach skills at the maximum of 1 level higher than their current qualification.

Until the end of 2022, it has been agreed that coaches may coach skills at a maximum of one level higher than their current qualification under the guidance of a Lead Coach, even if they have not yet attended a course with a syllabus containing those skills. This will apply to British Gymnastics national events and regional events that lead to a national final (where national rules apply).

For further information on the changes introduced for Lead and Supervised coaches, please click here 

- **Assisting Coaches**

Assisting Coaches' Membership level must be Assistant Coach (if Level 1), Coach or Life Member of British Gymnastics before being allowed to participate in a British Gymnastics Event. Assisting coaches must have current safeguarding and DBS certificates, please see Safeguarding section. Assisting Coaches cannot be responsible for the gymnasts.

- **Choreographer**

Choreographers' Membership level must be Competitive Gymnast, Assistant Coach (if Level 1), Coach or Life Member of British Gymnastics before being allowed to participate in a British Gymnastics Event. Choreographers must have current safeguarding and DBS certificates. Please see Safeguarding section.

- **Disability Chaperone**

Disability Chaperones may be permitted to provide pastoral care to gymnasts in certain circumstances. Under no circumstances may a Disability Chaperone coach a gymnast. In the case where a gymnast has a disability, the nature of which indicates that it is deemed necessary to have additional support, they will be entitled to have a carer present with them throughout the competition. This Disability Chaperone will not be insured by British Gymnastics to take part in any type of recognised gymnastic activity. The Disability Chaperone will be required to sign a code of conduct to ensure they understand the role they are fulfilling within the event environment. The Disability Chaperone will be required to be dressed appropriately (please refer to the relevant section of the discipline specific code of points) if entering the warm-up hall or field of play.

- **Medical Chaperone**

In exceptional cases, upon written request, a Medical Chaperone may be approved to provide pastoral care to a gymnast with a medical condition. Written medical verification of the need for this carer (from a GP or other medical practitioner) will be required to be submitted to the Events Department at least 1 week prior to the start of the Event. The Medical Chaperone will not be insured by British Gymnastics to take part in any type of recognised gymnastic activity. The Medical Chaperone will be required to sign a code of conduct to ensure they understand the role they are fulfilling within the event environment. The Medical Chaperone will be required to be dressed appropriately (please refer to the relevant section of the discipline code of points) if entering the warm-up hall or field of play.

- **Supervising Chaperone**

The TC may authorise Supervising Chaperones to assist with pastoral care for gymnasts. These entitlements, if applicable, will be defined in the specific competition pages. In these circumstances the Supervising Chaperones must either be qualified as a Level 1 Assistant Coach or be a club/regional Welfare Officer and hold the relevant membership and qualifications, DBS & SPC for their position(s). Supervising Chaperones will not be permitted to enter the field of play.

- **Judges**

Judges' membership level must be Judge or Life Member of British Gymnastics for Club/County/Regional Judges, and National/Brevet Judge or Life Member of British Gymnastics for National and Brevet Judges before being allowed to officiate at a British Gymnastics Event. Members with coaching memberships that also have the required judge qualifications as laid out above are also applicable. 

From time-to-time British Gymnastics may invite international judges to officiate at British Gymnastics events, as such they will not require British Gymnastics membership.

Judges must also hold a current cycle of judging award (Cycle 15)

British Gymnastics does not require judges to complete a criminal record check to judge at British Gymnastics competitions, as the role that judges fulfil at the event no longer falls within DBS or Access NI Eligibility*. However, some judges are actively involved in club gymnastics and may provide judging instruction to children in a training environment or carry out a supervisory role (or may complete a criminal record check by virtue of another role they undertake e.g., coach). As not all judges use their qualification in the same way, it is the club's responsibility to assess the role the judge is undertaking and determine whether the activities involved fall within the eligibility criteria for a criminal record check. British Gymnastics no longer requires all judges to complete safeguarding training, but clubs should ensure any judge who supervise or instruct children has completed appropriate training.

* Judges who hold Scottish Gymnastics membership should refer to [Scottish Gymnastics](#)  for further guidance as to whether a check is required.

For further information on membership levels please visit the [British Gymnastics website](#). 

Competitive levels

As a Gymnastics for All event, we would like to make this competitive opportunity as accessible as possible for all adult gymnasts. Subsequently, there is now no need for gymnasts to be retired from national domestic competition for two years, and the strict guidelines around who can compete in which ability category has been relaxed. As such, the below should be treated as guidance.

- **Introductory** (Women's Artistic & Trampoline Gymnastics only)
Suitable for competitors that are brand new to the sport
- **Novice**
Suitable for competitors that have previously competed at club level within the relevant discipline
- **Intermediate**
Suitable for competitors that have previously competed at a county/regional level within the relevant discipline
- **Pro**
All competitors must have officially retired from GB and/or home nation domestic competitions and squads prior to entry. Suitable for competitors that have previously competed at national level
- **Open** (Trampoline Gymnastics only)
For experienced gymnasts capable of performing a routine with difficulty totalling 6.3 or above.

All competitors must not be simultaneously competing in national development plan or performance national domestic competitions in the year of entry into this event.

We would like to encourage competitors to enter the correct competitive level to ensure the Adult Gymnastics British Championships is a fair and enjoyable event for all involved. The Organiser retains the right to move a gymnast into the correct competitive level whilst the competition is in progress if it is felt they are performing skills above what is expected for that competitive level.

For reference and examples of level of ability and skill types used within the competition, please see the competition videos of previous years' events within GymNET – Under "My Account" & "Competition Videos".

Competitors cannot enter an ability level lower than they have previously entered e.g. from Pro in 2019 to Intermediate in 2020 (unless in exceptional circumstances which must be discussed and agreed by the Competition Organiser).

Level appropriate skills and requirements for each discipline are stated within the relevant discipline specific rules. Each discipline will follow the British Gymnastics or FIG Code unless otherwise stated within the discipline specific rules document. If you have any queries regarding the eligibility of a competitor or which competition category to enter, please ensure you contact the Organiser prior to submitting your competition entry.

Please note: If competitors perform a skill above the difficulty of the competitive level entered then a 1.0 mark penalty will be applied to their score as well as any execution deductions for the skill.

Coach qualifications

When submitting entries for the Adult Gymnastics British Championships, clubs must ensure that where applicable, the nominated Lead Coach is qualified to the level of performance of all the participants from their club. Supervised Coaches must be a minimum of level 2. With the explicit authorisation of the Lead Coach, Supervised Coaches may coach skills at the maximum of 1 level higher than their current qualification. If coaching at one level higher than their current qualification, coaches must have completed the relevant course/ module of the next coaching level covering those skills, although they may not yet be signed off as qualified.

All Coaches must have completed the [British Gymnastics Positive Coaching module](#) 

All Coaches entered into the event entry MUST be the same as those attending the event. It is unacceptable to enter a coach you know will not be attending. The Lead Coach has the ultimate responsibility for all the participants from their club/region and that of the Supervising Coaches, Assistant Coaches, Chaperones & Choreographers.

It is the club/region's responsibility to ensure that only accredited coaches are on the Field of Play and warm up areas.

Coaches who are used to push mats must be at least a level 2.

Lead Coaches have a duty of care towards their performers and have responsibility to ensure that all of the coaches under their supervision are both qualified and competent to teach at the appropriate level, as well as ensuring that the participant is adequately prepared, physically and psychologically, for performing their routines in a competition situation.

Additional Assisting Coaches (Level 1 and above) may be accredited, at the discretion of the Organiser, to be present in the competition arena to assist with the pastoral care of the gymnasts. Assisting coaches may not coach the gymnasts unless they fulfil the requirement of holding a recognised qualification suitable to the level of skills being performed.

Additional Medical and Supervising Chaperones may be accredited, at the discretion of the Organiser, to be present in the warm up hall and where applicable the Field of Play, to assist with the pastoral care of the gymnasts. Chaperones may not coach the gymnasts.

If it is found that a club is in breach of these policies British Gymnastics reserves the right to reject an entry on the grounds of gymnast safety or, if discovered post performance, to disqualify the competitor and remove their score(s) from the official results.

Safeguarding

All Coaches, Lead Coaches, Supervised Coaches and Assisting Coaches are required to hold a valid DBS certificate, or Home Nation equivalent, and have current Safeguarding and Protecting Children Awareness training at the time of the event.

Coaches who do not fulfil this requirement will not be accredited or allowed to participate at British Gymnastics Events.

All gymnasts must have an accredited coach, present on the field of play and in the warmup hall at all times. If a gymnast attends a competition without a suitably qualified coach or supervised coach, they will not be allowed to compete.

More information about our safeguarding requirements and the training/certificates that we accept, can be found on our website via the [Safeguarding and Safe Sport page](#) under 'Safeguarding', and by scrolling down to 'Training'.

Coaches must also have a valid home country criminal record check both at the time of entry and through to the end of the event before being allowed to participate at a British Gymnastics Event.

Nationality

Participation in all British Gymnastics Events is subject to the requirements of membership, club/regional registration and other conditions of entry.

In addition, the following regulations concerning Nationality are applicable to British Gymnastics Events.

British Championships

Only those in possession of a valid United Kingdom passport (and do not hold a FIG licence for another member federation) are eligible to be ranked in the official competition results, where a British Championships title is being contested. This is effective for individual competitions. In team competitions or where gymnasts compete together as part of a group/partnership, all of the gymnasts must be in possession of a valid United Kingdom passport in order for that team/group/partnership to be ranked in the official competition results.

At the discretion of the British Gymnastics Technical Committee and with agreement from the British Gymnastics Performance Director (or their appointee), those who are not in possession of a valid United Kingdom passport may take part in competitions where a British Championships title is being contested. Participation is also subject to approval from their own FIG Member Federation in accordance with FIG statutes. They will receive score(s) but will not receive a ranking in the official competition results. In such circumstances gymnasts will be referred to as Guests.

Gymnasts holding dual citizenship (including a valid United Kingdom passport) are only eligible to receive a ranking in the official results (either as an individual or as part of a team/group/partnership) if they do not hold a FIG Licence registered by another FIG Member Federation or have not represented another FIG Member Federation.

Gymnasts who are not in possession of a valid United Kingdom passport and who are not members of British Gymnastics may be invited by the British Gymnastics Technical Committee or Performance Director to take part in the British Championships. They will receive score(s) but will not receive a ranking in the official competition results.

Other British Gymnastics Events

At the discretion of the British Gymnastics Technical Committee and with agreement from the British Gymnastics Performance Director (or their appointee), non-British citizens may take part in other British Gymnastics' Competitions. Participation is also subject to approval from their own FIG Member Federation in accordance with FIG Statutes

Those gymnasts who are not in possession of a valid United Kingdom passport must have been a member of British Gymnastics for at least one year prior to the date of the competition in order to be eligible to take part. During this period the gymnast's sole or main residence must be within the United Kingdom.

They will receive score(s) and will receive a ranking in the official Competition results. This is effective for both individual competitions and competitions where gymnasts compete together as part of a team/group or partnership.

Where a Competition provides a qualification route to take part in a British Championships, the results of a non-British citizen will not lead to the displacement of a British citizen who would have otherwise qualified for the British Championships.

In exceptional circumstances, gymnasts who are not in possession of a valid United Kingdom passport and who are not members of British Gymnastics may be invited by the British Gymnastics Technical Committee or Performance Director to take part in British Gymnastics Events. The Technical Committee with approval from the Performance Director will have the discretion to determine whether their scores will contribute towards the official Competition results.

Disclosure

It is the responsibility of the person making the event entry to ensure that all of the gymnasts have declared their nationality by contacting the events team at point of entry.

Guests

If a gymnast wishes to compete as a guest (see Nationality section above for details of guest gymnasts) at a British Gymnastics event the club/coach should contact the events department in the first instance before the closing date. Guest gymnasts will be placed on a waiting list. Following the competition closing date, a decision will be made between the Technical Committee, the Events Department, and the Performance Department as to whether the entry can be accepted. If the entry is accepted the entry fee will then become payable and entered into the club basket.

Team entries

To submit team entries, please contact the Events Department directly following the submission of your online club entry into the event. Team information will be requested and details of payment will be confirmed. Please contact events@british-gymnastics.org to submit your team entry. Please see further details within the table on pages 8, and the last two pages of this Handbook.

Disability Gymnastics

British Gymnastics is focused on ensuring fair and equal opportunities are provided to all gymnasts.

Disabled gymnasts may compete in both mainstream and dedicated disability British Gymnastics competitions, providing they meet the eligibility criteria for the competition. Disabled gymnasts may switch between mainstream and disability competitions within the same or different disciplines. Only those disabled gymnasts who meet the eligibility criteria may compete in disability competitions.

All gymnasts competing within a mainstream competition will be judged by the same rules and criteria regardless of ability and/or disability.

Where an event includes both mainstream and disability competitions, disabled gymnasts may enter both competitions providing there are no scheduling conflicts. If there are scheduling conflicts the gymnast must choose which competition, they wish to enter.

As part of the development of Disability Gymnastics, British Gymnastics has produced its own sport specific Disability Gymnastics Classification Certificate. The classification certificate is contained in a pack which also clearly defines the eligible impairments for Disability Gymnastics Competition. All disabled gymnasts should complete a classification certificate as good practice when competing at regional level or above. A classification certificate is compulsory for gymnasts competing at a British Gymnastics National Event.

Disabled gymnasts will be required to provide proof of Disability at least six weeks before the event. Please note that unless there are any significant changes, a Disability Classification Certificate only needs to be completed once in most cases. Please complete and return the Disability Gymnastics Classification Certificate by following the instructions in the [Disability Classification Pack](#)

Although there are 44 different eligible classifications (Profile groups) in the Classification Pack, this does not mean that there are 44 different competition categories for Disability Gymnastics competition.

The Disability competition classification categories available can be found within the information pages for each competition which has integrated disability.

All clubs and coaches must inform the British Gymnastics Events Team of any gymnasts who have medical conditions or impairments that require special consideration at British Gymnastics events. This information should be shared with the British Gymnastics Events Team at the point of competition entry and will enable the British Gymnastics Events Team to endeavour to make any reasonable adjustments in line with the Equality Act and where possible to cater for the additional needs of each gymnast.

Methods of Payment

Payment can be made by Debit Card, Credit Card or BACS payment. BACS payment however may slow the entry process. Payments should be received by British Gymnastics within 48 hours of the entry being submitted.

Cheques are no longer accepted, therefore clubs and regions must arrange alternative payment methods.

Entry fees are non-refundable after the closing date.

British Gymnastics Foundation Hardship Grants

Our Charity, the British Gymnastics Foundation, runs a Hardship Grants programme which provides grants of up to £500 for individual members of British Gymnastics, who are experiencing significant financial hardship. If you are unable to afford the costs of participating in gymnastics, and are in danger of dropping out of gymnastics because of this, then please do apply for a hardship grant [here](#). The cost of competitions is an eligible item of expenditure within the Hardship Grants criteria. Please note that the Hardship Grants programme is not continually open for applications, but details on grant round timings can be found on the Hardship Grants application page in the link above.

Late Entries

Late entries will only be considered in exceptional circumstances and only up to 7 days after the closing date.

In the unlikely event of a late entry being accepted, payment of three times the normal entry fee stated for the competition will be required for individuals (including partnerships and groups). For team late entries the fee will be double (including clubs and regions). However, the late entry payments will be capped at £1000 (i.e., the additional payment over and above the normal entry fee per gymnast / partnership / group / team will be capped at £1000).

Late entries must be made in writing to the British Gymnastics Events department and will then be referred to the Organiser for consideration. The Organiser and British Gymnastics Events department will have absolute discretion whether to accept a late entry.

Late entry requests may be placed on a reserve list and clubs notified if their entry is accepted following a withdrawal, up to 1 week prior to the event.

Withdrawals and Substitutions

Amendments to an entry before the closing date will not incur a penalty and in the case of withdrawals, the entry fee will be refunded. Entry fees are non-refundable after the closing date.

For NDP Individual & Regional Team Finals, if a Region wishes to make a substitution (due to the withdrawal of a previous regional entry) of a gymnast, they can only do so up to one week before the event, in writing to the British Gymnastics event department after the entry is closed. Proof of qualification of the substitute must also be provided if applicable, at the time of the request. Substitutions will not incur a fee however there is no guarantee that the substituted names will be included in the spectator programme or other event related items.

Where it is necessary to substitute a Coach the club must inform the British Gymnastics Events Department, so the Coach can be checked for membership, awards and safeguarding, before they can be accredited for the Event.

Where, through unforeseen circumstances, this is not possible or, where information has not previously been supplied, the substitute must inform the Organiser immediately on arrival at the venue and produce their coaching award certificate, and current British Gymnastics specific DBS.

Where there are specific rules and/or processes relating to withdrawals and substitutions please refer to the specific event page.

Non-Participation Fee

By entering a gymnast (individual/partnership/group) or a team (team events) into an event, the enterer accepts that, should any gymnast or team fail to register to compete by the end of registration for a competition, the appropriate fee for non-participation will be added to the club basket or in the case of regional entries, basket of the person making that entry.

Privacy

British Gymnastics Privacy Notice 

At many events, British Gymnastics may produce event merchandise (eg event tshirts). These may include the names and/or clubs of the gymnasts taking part.

Where competing gymnasts have a disability, it may be necessary to share the details of this disability with Performance staff and the Technical Committee in order to discuss if modifications to rules and processes are appropriate arising from this disability.

The scores, results and “Judgecam” videos from British Gymnastics events, where BGScore is present will be made available in the BGScore App and also published on the British Gymnastics website in the specific event page.

Video, Film and Photography

Photographs and video footage will be captured at British Gymnastics events.

British Gymnastics accredited photographers and the media may be present and in some cases events may be live streamed by the British Gymnastics TV production team, or broadcast partners. The images taken at events may be used by British Gymnastics, GEL and the British Gymnastics Foundation for the purposes of promotion, education and development of the sport.

They may also be shared with journalists, through social media outlets e.g. Facebook, Instagram, YouTube etc. and our third-party partner organisations for general promotional purposes.

Anyone who does not wish themselves or their child to be photographed/filmed at the event must advise the British Gymnastics Events Department or the Event Organiser. Although it is not always practical to manage the content of live streamed footage, we will make every effort to ensure any identifiable images of the participant are not published.

British Gymnastics will display clear signage and make announcements about photography and filming at relevant events. Any footage of children and individuals who are vulnerable will be published in accordance with our relevant safeguarding policy.

To make our events entertaining and easy to follow for our audience and fans, we announce and publish information about participants, including nationality, scores and achievements.

Videos of routines performed by participating gymnasts taking part in our major events are made available on the BG Score App and website but access is restricted to British Gymnastics members.

We delete event photographs and videos after five years unless we consider them to be of public interest and should consequently be archived for historical purposes. Where images have been published on social media, these platform providers may continue to process your data after the retention period has lapsed.

Any person wishing to use video, film or take photographs must abide by the [British Gymnastics Health Safety and Welfare Policy](#)

Photos may only be taken for personal use. Unless specifically accredited to do so, you may not take photos for sale, other commercial use, or publication in printed or electronic form, such as on websites.

Clubs may publish some photos but this may only be done in accordance with [British Gymnastics Photography Policy](#)  and in conjunction with the [British Gymnastics Safeguarding Policy and Health Safety & Welfare Policy](#) 

Flash photography may not be used at any time while gymnasts are warming up or competing.

Photography on the Field of Play by gymnasts, coaches and officials is not permitted.

If you have concerns about the identity or actions of any photographer or if you believe that any unsuitable photos are being taken, you should report your concerns to the British Gymnastics appointed Welfare Officer at the event.

Health & Safety

The health, safety and welfare of all participants (gymnasts, coaches and officials) is the primary consideration.

All British Gymnastics policies and procedures will be rigorously applied with regards to health, safety, welfare and Safeguarding & Protecting Children.

Overnight Stays

Government legislation requires that when a club takes a gymnast(s) under the age of 18 years on a journey involving an overnight stay, the club must ensure that there is a designated trained person responsible for child protection on the trip. To adhere to the CPSU child protection standards this person must not be related to or in a relationship with the coach attending the trip.

The training for the designated person should be British Gymnastics recognised Safeguarding and Protecting Children award or Home Country equivalent. The appropriate criminal records checks should also have been completed.

For Overnight Trips the appropriate form needs to be completed in full and sent to British Gymnastics at least four weeks prior to travel so we can get your trip approved and endorsed by our insurers. Failure to inform British Gymnastics of any overnight stays may invalidate your insurance.

Please note that the British Gymnastics Membership Insurance does not cover Travel or Emergency Medical Expenses, we therefore recommend that where necessary you take out additional Travel Insurance. 

Drug Free Sport

The testing programme may affect any elite gymnast performing at a national standard.

Please follow the link to read the [British Gymnastics policy](#) 

Manipulation of Competition

British Gymnastics, as a sports organisation bound by the Olympic Charter and the International Olympic Committee Code of Ethics, declares our commitment to support the integrity of sport and fight against the manipulation of competitions by adhering to the standards set out in the Olympic Movement Code on the Prevention of the Manipulation of Competitions and by requiring their members to do likewise. Please follow the link to read the Prevention of Manipulation of Competitions Policy 

Inquiries

Official inquiry forms are available from the Superior Jury/ D1 Judge at each apparatus and must be completed and returned to them within 15 minutes of the coach receiving the score slip. Inquiry forms will also be published in the event Work Plan. If necessary, a coach should register their intention to inquire by approaching the Competition Organiser before completing the form. If a coach has approached the judging panel and discussed a gymnast's score, they may not register an inquiry. A coach may only inquire about the D score.

The Supervising Coach for the club of the competing gymnast places the appeal form with the Superior Jury/D1 Judge.

The placement of an inquiry form becomes a contract to pay the appropriate fee:

- First inquiry: £25
- Second inquiry: £50
- Third and subsequent inquiries: £75

This fee will not be collected in cash at the event but added to the basket of the club/coach concerned if the inquiry is not upheld.

The Superior Jury/D1 Judge cannot accept any video or photographic analysis at an event unless an official video replay system is available at each piece of apparatus and could be referred to by the D panel for the benefit of every competitor at the discretion of the Superior Jury/D1 Judge.

Spectator ticket information

Spectator ticket information can be found on the specific event page within the event finder section of the British Gymnastics website. Tickets can be purchased through [GYMSHOP](#) , the official retail partner of British Gymnastics. We recommend you buy spectator tickets from GYMSHOP before the event. Purchasing tickets online through GYMSHOP before the event could save you up to 25% compared to the on-the-door price.
