* These competitions are subject to sufficient capacity at the British Championships and therefore yet to be confirmed. Please see the competition handbook.

[†] Age is determined by the age of the participant on the 31st December 2023.

Mixed Teams

Mixed teams may contain any combination of men and women. All gymnasts must be represented on floor. Should a team contain 3 or less gymnasts of one gender at L3, these must be represented on every apparatus run. L2 must have even gender representation on apparatus.

Gymnast Attire

Attire within mixed teams must be visibly different between genders. Numbering of participants is only necessary for the European Championships (but there is no deduction for any gymnasts having numbers). Close fitting t-shirts (with or without sleeves), gym-shorts and leggings are acceptable.

Qualification Process

The qualification process for the 2023 TeamGym British Championships, Challenge Event and Disability Championships are outlined in the 2023 competition handbook.

In any competition category (e.g. Senior Women's Micro), clubs may only be represented by 2 teams in the British Championships.

National Primary Competition

British Gymnastics National Events will include the National Primary Competition. The Primary Competition is designed to encourage participation and develop good form in younger gymnasts, and is a gender neutral competition. The top teams from the qualifiers will be invited to the National Primary Competition.

Micro Teams

Micro teams, with up to 5 gymnasts in a team, will perform to the same rules but on Tumble and Trampet only with no more than 3 gymnasts competing in each run. The Micro Team competition does not include the floor programme. Please note that both genders must be represented in each tumble and trampet run of a mixed team.

Disability Competition

Disability gymnasts competing at British Championships will use the National Disability TG Development Plan Rules and Regulations, and qualification rules will be outlined in the 2023 competition handbook.
