## Double-Mini Trampoline National Development

Plan 2020

Trampoline National Technical Committee – Final Version revised 3<sup>rd</sup> December 2019

British  
Gymnastics

## **NATIONAL TRAMPOLINE TECHNICAL COMMITTEE - National Competition Structure 2020**

The British Gymnastics (BG) National Trampoline Technical Committee (NTTC) is responsible and accountable to BG for the development and direction of all Trampoline, Double Mini-Trampoline and Tumbling for all BG members.

Any 'Open' competitions organised under BG membership/insurance must be authorised by the NTTC.

Any regional activity providing opportunity for members of the region must be authorised by the relevant Regional Executive Committee and in consultation with the NTTC.

The competition seasons are from 1<sup>st</sup> October to 30<sup>th</sup> September.

Gymnasts and Coaches may select their competition pathway and entry level. After the appropriate level has been selected and competed at, a gymnast cannot change levels during the same competition season \*(See note below with regards Regional NDP Compulsory Events).

Regions will be required to run a minimum of two sanctioned Regional NDP Compulsory Events between 1<sup>st</sup> October 2018 and 28<sup>th</sup> February 2019 that will form part of a qualification process to a Regional NDP Compulsory Final. This event must be run on or before 31<sup>st</sup> March 2019.

In the Regional NDP Compulsory Events, gymnasts should enter the age group that they will be eligible for on 1<sup>st</sup> January 2020. The Regional NDP Compulsory Events may be used as 'Test' events, which will enable gymnasts to try one or more levels (at different competitions) in order to ascertain the appropriate level for them to qualify and enter at the Regional NDP Compulsory Final.

Range and Conditioning, for all disciplines at NDP Levels 1 to 5 and FIG Development Level will form part of the qualification process and will be required at the Regional NDP Compulsory Final 2020.

### **Regional NDP Compulsory Events**

A minimum of 2 x British Gymnastics 'sanctioned' regional competitions held between 1<sup>st</sup> October 2019 and 28<sup>th</sup> February 2020 for NDP Levels 1-5 and FIG Development Level. The purpose of these competitions is to give gymnasts the opportunity to 'try out' the appropriate entry level and to gain qualification to the Regional NDP Compulsory Final. Gymnasts may try different levels to find the appropriate level for the remainder of the season.

See National Trampoline Technical Committee information on organising and hosting any other DMT activity in the regions.

### **Regional NDP Compulsory Final**

1 x British Gymnastics 'sanctioned' regional qualifying competition, held on or before 31<sup>st</sup> March 2020 and for NDP Levels 1-5 and FIG Development Level leading to the NDP Individual & Regional Team Final. Once a gymnast has entered a level at this event they must remain there for the remainder of the competition season.

*Regions may run 'out of age' groups (see age groups under Technical Requirements) however gymnasts competing in 'out of age' groups are not eligible to qualify for the NDP Individual & Regional Team Final or NDP Final. It is the responsibility of the **Clubs** to ensure that this rule is understood by gymnasts and/or their parents/guardians*

### **Notice of main changes to the National Competition Structure 2020**

All gymnasts entering the NDP or FIG Pathway should refer to the membership section on the BG website for level of membership required (gymnast/gymnast membership/ BG NDP structure)
