

2021 Trampoline & Tumbling
Competition Handbook

Message from TC Chair:

Due to the impact of the COVID-19 Pandemic, there are only minor changes to the discipline specific competition structures for 2021. Please download and study the discipline structures to ensure that you understand how these changes affect your gymnasts and the competitions.

With regards to the NDP Individual and Regional Team Finals qualifying process, due to continued uncertainties at the time of publishing this handbook, I would like to confirm that we have extended the closing date for entries to 30th April 2021 and regions will therefore be able to hold the NDP Regional Compulsory Final between 1st March and 18th April. It will be at the discretion of each region as to whether they are able to run any compulsory qualifying events between 1st October and 28th February.

Eligibility

Membership

All persons attending British Gymnastics events in an official capacity, whether as a gymnast, coach or judge are required to hold current British Gymnastics membership in line with the level of competition entered and awards held.

Coaches, Judges and Gymnasts should carry current membership cards to all competitions and be prepared for these to be checked by the Organiser or their appointed officials.

- **Gymnasts**

Membership level must be Competitive Gymnast, Coach or Life Members of British Gymnastics in order to enter a British Gymnastics Event.

In normal circumstances, gymnasts should also be a member of a British Gymnastics registered club.

In exceptional cases, where a gymnast does not belong to a British Gymnastics registered club, they must contact the Events Department and request entry into the Event. If granted such gymnasts will be given the classification as being Independent. In such circumstances the gymnasts must nominate a Supervising Coach and must also meet all other membership requirements.

For all Grades competitions, gymnasts must hold current British Gymnastics membership at the time of Regional Preliminaries. Anyone discovered to have been without the correct level of membership for these competitions will be disqualified.

- **Lead Coaches**

Lead coaches' membership level must be Coach or Life Members of British Gymnastics and coaches must be qualified to the level of all the skills being performed by all Gymnasts in the club/Region before being allowed to participate in a British Gymnastics Event. Coaches must have current safeguarding and DBS certificates, please see Safeguarding section. The lead coach may authorise other coaches from their club/region to coach skills at a maximum of one level higher than that coaches' qualification but has responsibility for insuring that they are competent to do so. For further information on the changes introduced in 2020 for Lead and Supervised coaches, please click here. 

- **Coaches**

Supervising coaches must have Coach membership level or be Life Members of British Gymnastics and coaches must be qualified to a minimum of level 2. Coaches must also have a current Safeguarding & DBS certificate. Please see Safeguarding section.

- **Supervised Coaches**

With the explicit authorisation of the lead coach, supervising coaches may coach skills at the maximum of 1 level higher than their current qualification before being allowed to participate in a British Gymnastics Event, in this instance the supervising coaches must have completed the relevant course or module of the next coaching level covering those skills, although they may not yet be signed off as qualified. For further information on the changes introduced in 2020, for Lead and Supervised coaches guidance note, please click here. 

- **Assisting Coaches**

Assisting coaches must have Assistant Coach (if Level 1), Coach Membership level or be Life Members of British Gymnastics before being allowed to participate in a British Gymnastics Event. Coaches must also have a current safeguarding certificate. Please see Safeguarding section. Assisting Coaches cannot be responsible for the Gymnasts.

- **Disability Chaperone**

Chaperones may be permitted to provide pastoral care to gymnasts in certain circumstances. Under no circumstances may a Chaperone coach a gymnast. In the case where a gymnast has a disability, the nature of which indicates that it is deemed necessary to have additional support, they will be entitled to have a carer present with them throughout the competition. The carer will not be insured by British Gymnastics to take part in any type of recognised gymnastic activity. The carer will be required to sign a code of conduct to ensure they understand the role they are fulfilling within the event environment. The carer will be required to be dressed appropriately (please refer to the relevant section of the discipline specific code of points) if entering the warm-up hall or field of play.

- **Medical Chaperone**

In exceptional cases, upon written request, a Chaperone may be approved to provide pastoral care to a gymnast with a medical condition. Written medical verification of the need for the carer (from a GP or other medical practitioner) will be required to be submitted to the Events department at least 1 week prior to start of the event. The carer will not be insured by British Gymnastics to take part in any type of recognised gymnastic activity. The carer will be required to sign a code of conduct to ensure they understand the role they are fulfilling within the event environment. The carer will be required to be dressed appropriately (please refer to the relevant section of the discipline code of points) if entering the warm-up hall or field of play.

- **Supervising Chaperone**

The TC may authorise Chaperones to assist with pastoral care for gymnasts. These entitlements, if applicable will be defined in the specific competition pages. In these circumstances the Chaperones must either be qualified as a Level 1 Assistant Coach or be a club/regional Welfare Officer and hold the relevant membership and qualifications, DBS & SPC for their position(s). Supervising Chaperones will not be permitted to enter the field of play.

- **Judges**

Club, County and Regional Judges' must have Judge membership or be Life Members of British Gymnastics while National and Brevet Judges are required to hold National/Brevet Judge membership of British Gymnastics before being allowed to officiate at a British Gymnastics Event.

From time to time British Gymnastics may invite international judges to officiate at British Gymnastics events, as such they will not require British Gymnastics membership.

Judges must also hold a judging award for the current cycle (Cycle 2017-2020)

British Gymnastics does not require judges to complete a criminal record check to judge at British Gymnastics competitions, as the role that judges fulfil at the event no longer falls within DBS or Access NI Eligibility*. However, some judges are actively involved in club gymnastics and may provide judging instruction to children in a training environment or carry out a supervisory role (or may complete a criminal record check by virtue of another role they undertake e.g. coach). As not all judges use their qualification in the same way, it is the club's responsibility to assess the role the judge is undertaking and determine whether the activities involved fall within the eligibility criteria for a criminal record check. British Gymnastics no longer requires all judges to complete safeguarding training, but clubs should ensure any judge who supervise or instructs children has completed appropriate training.

* Judges who hold Scottish Gymnastics membership should refer to [Scottish Gymnastics](#)  for further guidance as to whether a check is required.

For further information on membership levels please visit the [British Gymnastics website](#). 

Coach Qualifications

When submitting entries for a British Gymnastics event, clubs/regions must ensure that where applicable, the nominated Lead Coach is qualified to the level of performance of all the participants from their club/region. Supervising Coaches must be a minimum of level 2. With the explicit authorisation of the Lead Coach, Supervising Coaches may coach skills at the maximum of 1 level higher than their current qualification. If coaching at one level higher than their current qualification, coaches must have completed the relevant course or module of the next coaching level covering those skills, although they may not yet be signed off as qualified.

All coaches must have completed the British Gymnastics Positive Coaching module.

All Coaches entered into the event entry MUST be the same ones attending the event. It is unacceptable to enter a coach you know will not be attending. The Lead Coach has the ultimate responsibility for all the participants from their club/region and that of the Supervising Coaches, Assistant Coaches, Chaperones & Choreographers.

Lead Coaches entered onto the event entry MUST be the same ones attending the event. It is unacceptable to enter a coach you know will not be attending. It is the clubs responsibility to ensure that only accredited coaches are on the Field of Play. Coaches who are used to push mats must be at least a level 2. Lead Coaches have a duty of care towards their performers and have responsibility to ensure that all of the coaches under their supervision are both qualified and competent to teach at the appropriate level, as well as ensuring that the participant is adequately prepared, physically and psychologically, for performing their routines in a competition situation.

Additional Assisting Coaches (Level 1 and above) may be accredited, at the discretion of the Organiser, to be present in the competition arena to assist with the pastoral care of the gymnasts. Assisting coaches may not coach the gymnasts unless they fulfil the requirement of holding a recognised qualification suitable to the level of skills being performed.

Additional Chaperones may be accredited; at the discretion of the Organiser, to be present in the warm up arena to assist with the pastoral care of the gymnasts. Chaperones may not coach the gymnasts.

If it is found that a club is in breach of these policies British Gymnastics reserves the right to reject an entry on the grounds of gymnast safety or, if discovered post performance, to disqualify the competitor and remove their score(s) from the official results.

Safeguarding

All Coaches, Lead Coaches Supervised Coaches and Assisting Coaches are required to hold a current British Gymnastics specific DBS certificate, or Home Nation equivalent, and have current Safeguarding and Protecting Children Awareness training at the time of the event. Coaches who do not fulfil this requirement will not be accredited or allowed to participate at British Gymnastics Events.

All Gymnasts must have an accredited coach present on the Field of Play at all times. If a Gymnast attends a competition without a suitably qualified Coach or Supervised Coach they will not be allowed to compete.

Initial Safeguarding training, which is valid for 3 years, must be a face to face workshop and delivered by a recognised training organisation.

British Gymnastics accepts training from the following providers:

- Local Authority Safeguarding
- FA Safeguarding
- UK Coaching Safeguarding and Protecting Children
- NHS Safeguarding
- Specific professional prior learning (Social Worker, Teacher, Police Officer etc)
- (Or Home Country equivalent approved by Scottish Gymnastics/Welsh Gymnastics/Gymnastics N Ireland)

This must be renewed every three years and be valid both at the time of entry and through to the end of the Event.  Coaches are responsible for checking the expiry date of their safeguarding and ensuring they have sufficient time to renew their award prior to the closing date of the event.

To enhance national Safeguarding training, we provide a sport-specific online Safeguarding Refresher course which can be used to renew Safeguarding after completing a face to face course

Coaches must also have a valid **Disclosure and Barring Service**  disclosure both at the time of entry and through to the end of the Event before being allowed to officiate at a British Gymnastics Event.

Nationality

Participation in all British Gymnastics Events is subject to the requirements of membership, club/regional registration and other conditions of entry.

In addition, the following regulations concerning Nationality are applicable to British Gymnastics Events.

British Championships

Only those in possession of a valid United Kingdom passport (and do not hold a FIG licence for another member federation) are eligible to be ranked in the official Competition results, where a British Championships title is being contested. This is effective for individual competitions. In team competitions or where gymnasts compete together as part of a group/partnership, all of the gymnasts must be in possession of a valid United Kingdom passport in order for that team/group/partnership to be ranked in the official Competition results.

At the discretion of the British Gymnastics Technical Committee and with agreement from the British Gymnastics Performance Director (or their appointee), those who are not in possession of a valid United Kingdom passport may take part in Competitions where a British Championships title is being contested. Participation is also subject to approval from

their own FIG Member Federation in accordance with FIG statute. They will receive score(s) but will not receive a ranking in the official Competition results. In such circumstances gymnasts will be referred to as Guests.

Gymnasts holding dual citizenship (including a valid United Kingdom passport) are only eligible to receive a ranking in the official results (either as an individual or as part of a team/group/partnership) if they do not hold an FIG License registered by another FIG Member Federation or have not represented another FIG Member Federation.

Gymnasts who are not in possession of a valid United Kingdom passport and who are not members of British Gymnastics may be invited by the British Gymnastics Technical Committee or Performance Director to take part in the British Championships. They will receive score(s) but will not receive a ranking in the official Competition results.

Other British Gymnastics Events:

At the discretion of the British Gymnastics Technical Committee and with agreement from the British Gymnastics Performance Director (or their appointee), non-British citizens may take part in other British Gymnastics' Competitions. Participation is also subject to approval from their own FIG Member Federation in accordance with FIG Statutes

Those gymnasts who are not in possession of a valid United Kingdom passport must have been a member of British Gymnastics for at least one year prior to the date of the Competition in order to be eligible to take part. During this period the gymnast's sole or main residence must be within the United Kingdom.

They will receive score(s) and will receive a ranking in the official Competition results. This is effective for both individual competitions and competitions where gymnasts compete together as part of a team/group or partnership.

Where a Competition provides a qualification route to take part in a British Championships, the results of a non-British citizen will not lead to the displacement of a British citizen who would have otherwise qualified for the British Championships.

In exceptional circumstances, gymnasts who are not in possession of a valid United Kingdom passport and who are not members of British Gymnastics may be invited by the British Gymnastics Technical Committee or Performance Director to take part in British Gymnastics Events. The Technical Committee with approval from the Performance Director will have the discretion to determine whether their scores will contribute towards the official Competition results.

Disclosure

It is the responsibility of the person making the Competition entry to ensure that all of the gymnasts have declared their nationality by contacting the events team at point of entry.

Policy for the Participation of Trans People in Gymnastics Competition

Guests

If a gymnast wishes to compete as a guest (see Nationality section above for details of guest gymnasts) at a British Gymnastics event the club/coach should contact the events department in the first instance before the closing date. Guest gymnasts will be placed on a waiting list. Following the competition closing date, a decision will be made between the Technical Committee, the Events Department and the Performance Department as to whether the entry can be accepted. If the entry is accepted the entry fee will then become payable and entered into the club basket.

Disability Gymnastics

Disability Gymnastics is designed to provide competition and development for people whose disability or impairment restricts their mainstream competitive opportunities.

As part of the development of Disability Gymnastics, British Gymnastics has produced its own sport specific Disability Gymnastics Classification Certificate. The classification certificate is contained in a pack which also clearly defines the eligible impairments for Disability Gymnastics Competition.

All clubs and coaches must inform the British Gymnastics Events Team of any of any gymnasts which have medical conditions that require special consideration at British Gymnastics events. This information should be shared with the British Gymnastics Events Team at the point of competition entry and will enable the British Gymnastics events team to make the necessary adjustments where possible to cater for the additional needs of each gymnast.

Gymnasts will be required to provide proof of Disability at least six weeks before the event. Please complete and return the Disability Gymnastics Classification Certificate by following the instructions in the [Disability Classification Pack](#). 

Although there are 44 different eligible classifications (Profile groups) in the Classification Pack, this does not mean that there are 44 different competition categories for Disability Gymnastics competition.

The Disability competition classification categories available can be found within the information pages for each competition which has integrated disability.

Methods of Payment

Payment can be made by Debit Card, Credit Card or BACS payment. BACS payment however may slow the entry process. Payments should be received by British Gymnastics within 48 hours of the entry being submitted.

Entry fees are non-refundable after the closing date.

Late Entries

Late entries will only be considered in exceptional circumstances and only up to 7 days after the closing date.

In the unlikely event of a late entry being accepted, payment of three times the normal entry fee stated for the competition will be required for individuals (including partnerships and groups). For team late entries the fee will be double (including clubs and regions). However, the late entry payments will be capped at £1000 (i.e. the additional payment over and above the normal entry fee per gymnast / partnership / group / team will be capped at £1000).

Late entries must be made in writing to the British Gymnastics Events department and will then be referred to the Organiser for consideration. The Organiser and British Gymnastics Events department will have absolute discretion whether to accept a late entry.

Late entry requests may be placed on a reserve list and clubs notified if their entry is accepted following a withdrawal, up to 1 week prior to the event.

Withdrawals and Substitutions

Amendments to an entry before the closing date will not incur a penalty and in the case of withdrawals, the entry fee will be refunded. Entry fees are non-refundable after the closing date.

For NDP Individual & Regional Team Finals, if a Region wishes to make a substitution (due to the withdrawal of a previous regional entry) of a gymnast, they can only do so up to one week before the event, in writing to the British Gymnastics event department after the entry is closed. Proof of qualification of the substitute must also be provided if applicable, at the time of the request. Substitutions will not incur a fee however there is no guarantee that the substituted names will be included in the spectator programme or other event related items.

Where it is necessary to substitute a coach the club must inform the British Gymnastics Events Department, so the coach can be checked for membership, awards and safeguarding, before they can be accredited for the Event.

Where, through unforeseen circumstances, this is not possible or, where information has not previously been supplied, the substitute must inform the Organiser immediately on arrival at the venue and produce their coaching award certificate, current British Gymnastics membership card and a current British Gymnastics specific DBS.

Where there are specific rules and/or processes relating to withdrawals and substitutions please refer to the specific event page.

Non-Participation Fee

By entering a gymnast (individual/partnership/group) or a team (team events) into an event, the enterer accepts that, should any gymnast or team fail to register to compete by the end of registration for a competition, the appropriate fee for non-participation will be added to the club basket or in the case of regional entries, basket of the person making that entry.

Fees will be charged as follows:

£25 – Individual / Pair

£50 – Trio / Group / Team

Should a gymnast be withdrawn, for whatever reason, the club or coach must inform the Competition Organiser and Events Department in writing via email or notifying a member of the events team at the registration desk up to the close of registration for the relevant session. Email addresses are listed in the Contact Information on page 6 of this Competition Handbook. Withdrawals will only be accepted via email.

Failure to inform the Events Team and Competition Organiser as laid out above will result in the non-participation fee being charged.

General Regulations

Coaches' must make adequate provision for the supervision of their gymnasts upon arrival at the venue. Gymnasts will not be allowed to register or begin warm up without their coach present.

Registration

Only register your Gymnast(s)/Club/Region when those competing in that section of the event have arrived at the event and intend to compete. Please inform the registration desk of any withdrawals as soon as possible.

During registration accreditation/passes will be issued. Abuse of accreditation/passes may result in disciplinary action taken by British Gymnastics.

Order of Performance

The order of competing for individual events and team events shall be decided according to the competition arrangements made by the Organiser or such officials as may be authorised by the Technical Committee. For the purpose of maintaining a smooth and timely running of the event, or where the safety, security and good performance of the gymnasts is a concern, the TC reserve the right to alter the grouping of gymnasts and/or running order of performances as may be deemed necessary by the Organiser or authorised officials, up to the start of warm up.

Access to the warm up hall will be limited to the appropriate number of Coaches and Chaperones (where applicable) as defined in the specific details section for each Event. On arrival, coaches will need to register and collect their accreditation from registration. In the case of events spanning more than one day, accreditation will be issued for each day. Flash photography may not be used at any time while gymnasts are warming up or competing.

Photography on the Field of Play by gymnasts, coaches and officials is not permitted.

Health & Safety

The health, safety and welfare of all participants (gymnasts, coaches and officials) is the primary consideration. All British Gymnastics policies and procedures will be rigorously applied with regards to health, safety, welfare and Safeguarding & Protecting Children.

Overnight Stays

Government legislation requires that when a club takes a gymnast(s) under the age of 18 years on a journey involving an overnight stay, the club must ensure that there is a designated trained person responsible for child protection on the trip. To adhere to the CPSU child protection standards this person must not be related to or in a relationship with the coach attending the trip.

The training for the designated person should be British Gymnastics recognised Safeguarding and Protecting Children award or Home Country equivalent. The appropriate criminal records checks should also have been completed.

For **Overnight Trips** the appropriate form needs to be completed in full and sent to British Gymnastics **at least** four weeks prior to travel so we can get your trip approved and endorsed by our insurers. Failure to inform British Gymnastics of **any** overnight stays may invalidate your insurance.

Please note that the British Gymnastics Membership Insurance does not cover Travel or Emergency Medical Expenses, we therefore recommend that where necessary you take out additional Travel Insurance. 

Drug Free Sport

The testing programme may affect any elite gymnast performing at a national standard. Please follow the link to read the [British Gymnastics policy](#)

Inquiries

An inquiry is only applicable when British Gymnastics score is being used to facilitate video feedback

A coach may only inquire about the D score (and ToF, Machine HD or Machine Synchro for TRA).

Inquiries can be made only for the Club/Region's own Gymnasts.

No inquiries can be made about Execution scores, or other penalties.

Inquiry forms will be published in each event workplan.

A coach should register a verbal intention to inquire by approaching the CJP and/or Superior Jury within 2 minutes of the relevant score's publication.

Thereafter, official NTTC inquiry forms must be completed and returned to the Superior Jury within 5 minutes of the initial verbal inquiry. Forms can be obtained from the CJP, Panel Manager or Superior Jury.

The Supervising Coach for the Club/Region of the competing gymnasts places the appeal form with the Superior Jury.

The placement of an inquiry form becomes a contract to pay the appropriate fee if the inquiry is not upheld.

- First inquiry: £25
- Second inquiry: £50
- Third and subsequent inquiries: £75

This fee will not be collected in cash at the event, but added to the basket of the club/coach concerned.

If a resolution cannot be made before the start time of the next competitors' routine, the calculated mark will be listed as 'provisional' and will be considered at the end of the competition session and before any award ceremony.

To decide an inquiry, the Superior Jury will review the official video replay system **only**. No other video or photographic evidence can be considered. In the cases of uncertainty, benefit of the doubt will be awarded to the gymnast.

Provision of Officials

The Events Team, in accordance with the Expenditure Guidelines for Technical Committees, Judges & Officials, will book the accommodation for judges and officials appointed by the National Judging Co-ordinators and National Competition Organisers centrally .

Clubs will no longer be required to nominate judges and officials as part of their online entry for any of the National Competitions. Judges will be selected by the National Judging Co-ordinator and we will endeavour to confirm selection 4 weeks prior to each event.

NB: Recruitment for the NDP Individual & Regional Team Finals will be as detailed above. We will endeavour to select judges from across all regions. A contribution of £335 from each region towards the costs for Judges for this event will be added to the online entry.
