

**DISABILITIES  
NATIONAL COMPETITION  
STRUCTURE 2017**

## **NATIONAL TRAMPOLINE TECHNICAL COMMITTEE**

The British Gymnastics (BG) National Trampoline Technical Committee (NTTC) is responsible and accountable to BG for the development and direction of all Trampoline (TRA), Double Mini-Trampoline (DMT) and Tumbling (TUM) in Great Britain.

A great deal of work has been undertaken over the last year and the Domestic Competition Structure for Disabilities Trampoline has undergone a complete and thorough overhaul. The NTTC is confident that once in place and given time to work that the new structure will satisfy the majority of needs for Clubs and Regions.

The plan has been structured for development and participation with 2 pathways of performance, Regional Disabilities Development Plan, and National Disabilities Pathway. It is important to study the entire structure to see how progress is made. There are no qualifying scores to pass from one pathway to another however, coaches should make realistic choices to provide the best opportunity for their gymnast and refer to the minimum standard guidelines provided in the discipline specific booklet.

Clubs should support their region and further progress their gymnasts along the performance paths available.

Please refer to the discipline specific appendix, 2017 for further information.

### **Notice of main changes to the Competition Structure 2017**

- All gymnasts entering the NDP or FIG Pathway should refer to the membership section on the BG website for level of membership required (gymnast/gymnast membership/ BG NDP structure)
- Range and Conditioning will not apply to Disabilities Trampoline but may be reviewed
- Introduction of compulsory routines
- Clear regional pathway
- Qualification to Regional Team Finals and NDP Finals
- Qualification Scores

*Additional Amendments 2017:*

*FIG rules will apply to all disciplines at the British Championships. The 'zero' score will not apply at these Championships but will remain at the Spring Event Series. There will be no zero final and all scores will be accumulative.*

Further details on ALL changes can be found in the Competition Handbook and the Domestic Competition Structure Appendix for this discipline.

### **Supporting Information**

The DIS pathways provide competition experience to assist in the long-term development of all ages and abilities. The REG & NAT structure is not a linear pathway but one of self-select to reflect the gymnast's development stage. Coaches should make realistic choices to provide the best opportunity for the development of the gymnasts that they coach and are advised to focus on the appropriate technical level. There are specific routines that will support the gymnasts development and performance outcome each year. Please read carefully through all the information provided in the competition handbook, including competition formats, compulsory routines, specific requirements, age groups, minimum difficulty and minimum standards.

## CLASSIFICATION:

In order to be eligible for National Disabilities competitions, all competitors must have completed and submitted a Disabilities Gymnastics classification certificate. The disabilities gymnastics classification certificate lists all the eligible impairments.

Categories used:

Category 1 – learning disability

Category 2 – physical or sensory disability

Each category will compete separately – Men's / Women's

## DIS Regional Series

A series of qualification events leading to the NDP Regional Team Qualifier.

### Regional Disabilities Levels 2-3

All gymnasts at Levels 2-3 will be required to perform:

- 1 x Compulsory Routine
- 1 x Voluntary Routine

- 2 round accumulative score will determine the ranking
- Incomplete/incorrect routines will result in a zero 'DNF' score
- Time of Flight **will not** be included as qualification is based on the execution score only
- A nominated panel (Member of Regional TC, Chair of Panel & 1 x appropriately qualified coach) reserves the right, but not the responsibility, to end a performance (during training, warm-up or competition) that is deemed to be unsafe at any time

*Regions may run Regional Disabilities 1 - Transition group as deemed appropriate, however gymnasts competing in this category are not eligible for the Regional Team Final or NDP Final. It is the responsibility of the **Clubs** to ensure that this rule is understood by gymnasts and/or their parents/guardians.*

The NDP Regional Series events may be used as 'Test' events, enabling gymnasts to try one or more levels (at different competitions) in order to ascertain the appropriate level for them to try and qualify for the NDP Regional Team Qualifier.

### Qualification to the NDP Regional Team Qualifier

All gymnasts who achieve a minimum standard, 2 round execution score of 41.0 are eligible to qualify to the NDP Regional Team Qualifier (at the appropriate level the minimum score was achieved).

## DIS Regional Team Qualifier

A final event held in the region leading to the NDP Regional Team Final.

### DIS Levels 2-3
