FIG Double Mini-Trampoline (DMT)

Warm up hall – all four passes should be warmed up in warm up hall. On Field of Play there will be a two touch warm up then compete passes 1 & 2, a further two touch warm up and compete passes 3 & 4

Qualification scores will be confirmed after the World Championships and World Age Group Competition

FIG rules will be used at the British Championships with the exception of a 'zero final'. The 'zero score' will not apply at these Championships and all scores will be accumulative. (The 'zero' score will remain at the Spring Event Series)

Age Groups/Senior

Optional Round 1 passes 1 & 2

Optional Round 2 passes 3 & 4

There are no compulsory passes at this level. It is up to the Coach and Gymnast to create appropriate passes to meet the minimum total scores.

All 4 optional passes must be different; any repeated element will result in a loss of DD for that element.

- Incomplete routines (passes that according to FIG ruling would score zero, or only be marked out of 1 skill) will result in a zero 'DNF' score
- Gymnasts receiving a zero 'DNF' score will not be awarded a medal
- A nominated panel, (Member of NTTCC, Chair of Panel & 1 x appropriately qualified coach) reserves the right, but not the responsibility, to end a performance (during training, warm-up or competition) that is deemed to be unsafe at any time.

The top 16 ranked gymnasts, per age group, per gender from the Spring Event Series Events will qualify for the British Championships.
