Any gymnast who has represented Great Britain in the 2018 World Championships, 2018 World Age Group Competition or is a current member of the National Squad who does not achieve the performance standard to qualify to the British Championships will need to apply in writing to the Technical Committee to be considered and approved to compete.

Allocated Places:

In the interest of the British Championships as an event, up to 5 allocated places may be awarded per age group, per gender. Any allocated places will follow consultation with the national squad coaches and the NTTC, and be in the interest of the event and also the longer-term development of the DMT programme.
