## Tumbling National Development Plan 2021

Trampoline National Technical Committee – Final Version 16<sup>th</sup> June 2020

British  
Gymnastics

## **NATIONAL TRAMPOLINE TECHNICAL COMMITTEE**

The British Gymnastics (BG) National Trampoline Technical Committee (NTTC) is responsible and accountable to BG for the development and direction of all Trampoline, Double Mini-Trampoline and Tumbling for all BG members.

Any 'Open' competitions organised under BG membership/insurance must be authorised by the NTTC.

Any regional activity providing opportunity for members of the region must be authorised by the relevant Regional Executive Committee and in consultation with the NTTC.

The competition seasons are from 1<sup>st</sup> October to 30<sup>th</sup> September.

Gymnasts and Coaches may select their competition pathway and entry level. After the appropriate level has been selected and competed at, a gymnast cannot change levels during the same competition.

Range and Conditioning, for NDP Levels 1 to 5 and FIG Development Level will form part of the qualification process and will be required at the Regional NDP Compulsory Final 2021.

### **Regional NDP Qualification Competition**

1 x British Gymnastics 'sanctioned' regional qualifying competition, held on or before 18<sup>th</sup> April 2021 (date extended) for NDP Levels 1-5 and FIG Development Level leading to the NDP Individual & Regional Team Final. Once a gymnast has entered a level at this event they must remain there for the remainder of the competition season.

### **NDP Individual & Regional Team Final**

1 x British Gymnastics competition for NDP Levels 1-5 and FIG Development Level

*Regions may run 'out of age' groups (see age groups under Technical Requirements) however gymnasts competing in 'out of age' groups are not eligible to qualify for the NDP Individual & Regional Team Final or NDP Final. It is the responsibility of the **Clubs** to ensure that this rule is understood by gymnasts and/or their parents/guardians*

### **Notice of main changes to the National NDP Competition Structure 2020/21**

- New event in October – British Club Teams
- Top 2 gymnasts from FIG Development age groups will qualify to NDP Individual & Regional Team Final
- A whip bonus of 0.2 (maximum of 3 whips per pass) for 9-10yrs

Please refer to the National Competition Handbook for further information.

## **Tumbling Domestic Competition Structure**

### **Objectives**

Provide two clear pathways of competition, FIG pathway and NDP pathway. Gymnasts must select their competition pathway at the beginning of the season and may not transfer pathways

### **Rationale**

- In each level Run 1 focuses on mount (start) skills, Run 2 develops mid-run continuity and Run 3 develops dismount skills.
- Skills are progressively introduced into more complex runs

### **Specific Rules for NDP Series, to be applied at NDP Regional Qualifying Competition**

1. Incomplete or incorrect runs will result in a zero 'DNF' score with the exception of NDP Level 1 – for the link between skills 3 & 4, (Flic, Jump 180). If a gymnast lands one foot first, (one footed landing) a penalty deduction of 1.0 per judge will be applied.
2. Gymnasts receiving a zero 'DNF' score will not be awarded a medal

Please note, it is the responsibility of the coach to ensure that the gymnasts and parents fully understand these rules.
