NOTES

- For L1&L2 generally, see Basic Code
- Dance steps in free routines will carry a value of 0.3, and must be performed in accordance with all requirements for dance steps as set out in the Code of Points, except to the extent that they relate to use of apparatus
- In free routines, gymnasts may perform R without apparatus, as follows:
 - two uninterrupted rotations of the body (each rotation being 360 degrees). No additional rotations will be counted.
 - R with 1 rotation will be counted only where shown in the table above (value 0.1)
 - the value of the R will be 0.2, or 0.3 if there is a change of body rotation axis or level during the rotations
 - each rotation may be performed either isolated or in a series, maximum 1 time. Repetition of a rotation in another R is not valid
 - minimum 1 and maximum 3 Rs per free exercise
