Zonal Grades Judges
Please note the following clarifications for judges at zonal grades events.
- Each club must propose two judges (minimum County level) to judge at the competition at the club’s expense. These judges must attend all days of the competition even if their club is not performing on a given day.
- In addition, the National RGTC will nominate a minimum of two and a maximum of three independent Brevet Judges to moderate the competition. All legitimate costs incurred by these judges shall be paid for from the competition budget.
- The Competition Organiser must forward the names of all judges – along with the competition timetable - to the National Judging Co-ordinator for qualification ratification and guidance on the panel make-up, at least two weeks prior to the event.

Gibraltar Championships
The 17th Gibraltar championships will take place on 7th/8th March for Individuals and Groups. Competition information and entry form attached. Please note closing date is 14th February. For more information, contact Sally Holmes.

Calendar Update
Please find attached latest calendar. Please note the change of date for the Welsh Championships in June.

International Club Competitions
International competitions, which are available for clubs, can be found on the BG Website. Reminder that clubs should adhere to the BG policy when travelling. The appropriate form needs to be completed in full, and sent to British Gymnastics at least four weeks prior to travel so your trip can be approved by British Gymnastics and endorsed by the insurers. Failure to inform British Gymnastics of any overnight stays may invalidate your insurance. Full information and forms can be found here.
