Ages & Age Groups

Seniors	16 years +	Age is determined by the age of the participant on the 31 st December in the year of the competition.
Juniors	13-17 years	
Youth	10-14 years	
Primary	9-11 years	
Mini	7-11 years (this age group is up to county level only).	

Primary Challenge: British Gymnastics National Events will include the Primary Challenge at the British Championships. The Challenge is designed to encourage participation and develop good form in younger gymnasts. The Primary age band has been re-introduced as a development pathway for 9-11 year olds. For the Primary Challenge competition, these **unisex teams will be for 6-12 gymnasts consisting of any proportion of boys, girls or both**. The top teams from the qualifiers will be invited to the British Gymnastics Championships Event to take part in the Final of the Primary Challenge.

Micro Teams: Micro teams, **with up to 5 gymnasts in a team**, will perform to the same rules but on Tumble and Trampoline only with no more than 3 gymnasts competing in each run. The Micro Team competition does not include the floor programme. The Challenge Event at the British Finals will be unisex. However, please note that **if** competitions are distinguishing between genders (Men's, Women's and Mixed), then both genders must be represented in each tumble/trampoline run of a mixed team.
