

## National Age Group Championships Qualification Criteria

Following a review by the NTTC, the following qualification criteria for the National Age Group Championships has been agreed.

Upon completion of Spring Cups 1 & 2, each gymnast's best **total score** from the **Q1** phase will be ranked against the best performances of all athletes in that category. The top 80% of the ranked gymnasts (up to a maximum of 32 athletes per category) will be invited to enter the National Age Group Final.

In categories where there are fewer than 32 athletes qualifying automatically, the NTTC may offer additional named wildcard places to support the long-term development of our sport.

The list of automatic and wildcard qualifiers will be distributed to all clubs on **Monday 23<sup>rd</sup> May 2022** ahead of the official entry close date of **Noon on Wednesday 25<sup>th</sup> May 2022**.
