If you need a FIG licence for a FIG sanctioned international event please contact performance@british-gymnastics.org with the gymnast’s name and DOB. Correspondence will then be sent to you upon request.

FIG licences are valid for two years. You can check the expiration date of your FIG licence here; https://www.gymnastics.sport/site/athletes/lic_view.php If no results are shown, then your licence has already expired, or you have not previously been issued one. Select ‘Great Britain’ as the country (For TUM and DMT, select ‘Trampoline Gymnastics’ as your discipline).

FIG has advised us that the following minimum ages apply in the year of competition for gymnasts applying for a FIG Licence:

- AERO: The gymnast must not be less than 12 years of age
- ACRO: The gymnast must not be less than 11 years of age
- MAG: The gymnast must not be less than 14 years of age
- RG: The gymnast must not be less than 13 years of age
- TRA/TUM/DMT: The gymnast must not be less than 11 years of age
- WAG: The gymnast must not be less than 13 years of age

FIG licences can take up to 6 weeks to be processed and need to be in place ahead of British Gymnastics submitting the nominative entry for the competition (this is usually at least one month before the competition).
