

**Selection Announcement for the ACRO World Championships 2020
with key advance details prior to publication of the Policy in Nov 2019**

Due to the definitive entry for the World Championships 2020 being only 3 months after the European Championships 2019, the Selection Panel has decided to publish the following selection detail prior to the 2019 European Age Group and European Championships in Israel.

2020 World Championships and Age Group Championships – advanced policy detail.

1. The following two events will be used for consideration in selecting the GBR Team for the World Age Group Competition and the World Championships 2020: -
 - *European Age Group and European Championships 2019.*
 - *Pat Wade Classic 15/16 February 2020*
2. Gold medallists from the European Age Group Competition or European Championships 2019 will automatically be selected for the Worlds/World Age 2020 provided there is no change of partners or age group.
3. For the remaining places, performances and results from the Europeans & European Age Group 2019 & the Pat Wade Classic 2020 will be considered to ensure the selection of the strongest possible GBR Teams at the World Age Group and World Championships 2020.
NB As is usual with the Selection Process it will not necessarily be taken off ranking order from either the Europeans/European Age Group 2019 or the Pat Wade Classic 2020.
4. For Seniors - participation and performance at the World Cups in March and possibly April 2020 may also be taken into consideration.
5. Partnerships participating at the European Age Group Competition or European Championships 2019 who can't participate at Pat Wade Classic 2020 due to documented injury, or any other valid reason, may still be considered for Selection if:
 - There are 1 or less partnerships at the required level.
 - A partnership is clearly considered to be in the top two in the UK in their class and age category at the time of the Pat Wade event 2020.

6. Due to the selection time constraints mentioned at the start of this announcement the ACRO Selection Panel will have complete discretion in considering any other selection matters not covered either above or in the Final Policy.
