3. All selected gymnasts must declare medications they are taking, in particular the use of any restricted medications, and submit these in writing for the attention of the Performance Manager.
4. 7. In the case of a gymnast this will impact on present or future partnerships they are in until the expiry date of the penalty imposed.
9. At any stage following the selection announcement, should there be a doubt over the ability of a gymnast / partnership to compete to the best of their ability due to an injury or illness, the following procedure will be adhered to:
  - a) The gymnast will be referred to British Gymnastics' a designated Medical Officer to undergo a medical examination to determine their fitness to participate. Initially this will be based on an assessment of whether or not the injury, illness and /or medical condition is such that the gymnast is physically unable to compete or is at risk of causing medical harm to themselves, or endangering other competitors, officials or spectators.
  - b) If the gymnast passes the initial medical examination carried out by the Medical Officer but British Gymnastics still has concerns over whether or not the gymnast is able to compete to the best of their ability due to the underlying injury, illness or

	<p>condition, the gymnast will be required to undertake British Gymnastics' designated "Fitness Test".</p> <p>c) The Fitness Test will require the gymnast to perform a minimum of one routine with their partnership, to members of the Selection Panel and the National Coach at a set time and location. The panel will analyse the routine(s) and must be in agreement that the partnership is capable of achieving the performance standards expected by the time of the competition and alternative partnerships seen at the Selection Events do not offer a better alternative.</p> <p>d) In the event that a gymnast fails to complete the Fitness Test to the required standard, they will be removed from the Team, a decision that is not open to appeal.</p> <p>10. In the event that a gymnast within a partnership changes after the announcement of the team, the new partnerships must first be declared to the Performance Manager. A change of partnership may be considered under the following circumstances:</p> <p>a) The new partnership is able to demonstrate all three routines and will be 'assessed' by the National Coach, with a minimum of one or more of the Selection Panel, at a set time and location (TBC).</p> <p>b) The panel must be convinced and in agreement that there is not a more viable partnership seen at the Selection Events, and that the replacement gymnast(s) and partnership is capable of achieving the Performance Targets set within this policy.</p> <p>11. Any replacement partnership(s) will be made by the National Coach and Performance Manager on the basis of the needs of the Team. Decisions on these matters are not open to appeal.</p>
