

2021 Great Britain DMT Junior Squad Virtual Trial - Update

It is with regret that we inform you that the DMT Junior Virtual trial is now cancelled. Unfortunately, this is due to current restrictions within the ongoing pandemic forcing us to cancel the upcoming squads.

Selection will now take place later in the year with data collected from the Spring Series Events.

We would like to thank you for taking the time to make a submission and look forward to seeing your progress later in the year when it is safe to train and compete again.

Kind regards,

Lauren Jeffrey and Simon Flannery

GBR Junior DMT National Coaching Team
